Gauge

16 stitches and 13½ rows to 4 in (10 cm) in half double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 25; begin in the 2nd ch from the hook and work 20 rows of half double crochet on 24 sts, about 6 in (15 cm) wide and 6 in (15 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Edgings: 16 sts to 4 in (10 cm) in double crochet (UK: treble); one round of single crochet, one of double crochet and one of post stitches are about 1 1/8 in (2.9 cm) high together. Hat: the rounds have the same gauge as the rows of the cover. Spots, ears, antlers and tail: single crochet (UK: double crochet), about 18½ rounds to 4 in (10 cm); work them firmly.

Notes

- The hat is ½ to 1½ in (1 to 4 cm) smaller around than the head it is for, and stretches. The hip of the cover is 3 in (7.5 cm) wider than the body measurement at each size, to go over a diaper (UK: nappy). Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The cover is worked in rows that are turned. The ch 1 at the start of a row never counts as a stitch: work the first stitch of the row into the first stitch, at the base of the ch 1.
- The waistband and the leg edgings are worked in rounds that are not turned; the right side always faces you. The chain at the start of a round never counts as a stitch: work the first stitch into the stitch at its base.
- A decrease counts as one stitch.
- The rounds of the hat, the spots and the antlers are not turned either. The hat is worked from the crown down.
- The ears and the inner ears are worked in rounds from the tip to the base too, and are then pressed flat. The tail is worked in rounds from the tip to the base and stuffed lightly.
- Sew every part on firmly, through the fabric several times, weave the ends in well, and look at them before each wear. The hat is for a baby who is awake and watched; take it off for sleep.
- To work a post stitch around a dc2tog, take the hook around both of its legs together.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again within 6 rnds, carry it loosely up the inside at the join.
- Whip stitch: hold the two edges together, put the needle through both from back to front, bring the yarn over the edges and go in again from the back, one stitch along.

Instructions

3-6 months, to fit waist 17½ in (44.5 cm). US terms.

ch chain, **sl st** slip stitch, **sc** single crochet (UK double crochet), **hdc** half double crochet (UK half treble), **dc** double crochet (UK treble), **Rnd** round, **st** stitch.
RS right side, the one that shows.
2 hdc in next st: both in one stitch. **hdc in each of next 8 sts**: one in each.
[ ] 8 times: work what is inside 8 times in all.
(8 hdc): the stitches you have when the round is done. **How to read a pattern**.

Special stitches

sc2tog (single crochet 2 stitches together (UK double crochet 2 together)): Insert the hook in the next stitch and pull up a loop, insert the hook in the following stitch and pull up a loop (3 loops on the hook); yarn over and pull through all 3 loops.

hdc2tog (half double crochet 2 stitches together (UK half treble 2 together)): [yarn over, insert the hook in the next stitch and pull up a loop] twice (5 loops on the hook); yarn over and pull through all 5 loops.

dc2tog (double crochet 2 stitches together (UK treble 2 together)): [yarn over, insert the hook in the next stitch and pull up a loop, yarn over and pull through 2 loops] twice (3 loops on the hook); yarn over and pull through all 3 loops.

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post.

Assembly

1. Ears: with the end of an ear (yarn A) sew its base closed, 6 sts to 6 sts. Lay an inner ear on the front of the ear, the back of the inner ear down, both tips pointing the same way, the base of the inner ear 2 rnds above the base of the ear and its middle on the middle of the ear. Sew the inner ear down all round with its own end (yarn B), with whip stitch; its base is closed by this. The closed base is 6 sts wide. Fold it in half, corner to corner, with the inner ear on the inside: it is now 3 sts wide, with the fold at one end and the two corners at the other. Fasten the two corners together with two stitches of the end of the ear, which hangs there. Do not cut this end. Work the second ear in the same way. The rnds of the hat are counted from the crown, and the sts of a rnd from its first st, at the middle of the back. With the same end sew the folded base of one ear along rnd 9 of the hat, over sts 15, 16 and 17, with its fold on st 15 (toward the back) and its two corners on st 17 (toward the front). Sew the base of the other ear over sts 40, 41 and 42, with its fold on st 42 (toward the back) and its two corners on st 40 (toward the front). So the inner ears face the front, and the tips point out to the sides. Sew each one on a second time with a new length of yarn A.

2. Antlers: sew the open end of a branch to the side of an antler, all round, over rnds 8 to 10 of the antler, so that it points up toward the tip. Make the second antler the mirror of the first, with its branch at the other side. Sew the open end of one antler to rnd 3 of the hat, with its middle over st 6, and the other with its middle over st 19, all round, with the branches pointing outward. Sew each one on a second time with a new length of yarn C.

3. Hat spots: sew 8 spots to the outside of the hat, each with its own end, with whip stitch all round: put the middle of a spot on rnd 8, one over the join, one over st 19 and one over st 30, and on rnd 13, one over each of sts 9, 21, 40 and 52, and one between sts 30 and 31 (the middle of the front).

4. Tail: press the open base of the tail flat and, with its end (yarn B), sew it closed, 6 sts to 6 sts. Lay the cover with its back up and the waist uppermost. Put the tail on it with its base along row 32 of the cover, the middle of the base on the middle of the back, and the tip pointing straight up toward the waistband. With the same end sew the base down with whip stitch, and then the under side of the tail at its two sides, from the base up over the last 6 rnds. The tip stays free. Sew the base on a second time with a new length of yarn B.

5. Cover spots: sew 8 spots to the back and 4 to the front as the hat spots of step 3 were sewn: each with its own end, with whip stitch all round. The places are counted out from the middle of a row, to the left and to the right alike, and the middle of a spot lies there. Back: on row 42, 7 sts out from the middle; on row 39, 15 sts out; on row 35, 11 sts out; on row 31, 14 sts out. Front (rows counted from the foundation chain, at the front waist): on row 4, 7 sts out; on row 8, 11 sts out.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.
