Gauge

13 stitches and 14 rounds to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 10 the base should measure about 6 in (15 cm) across, laid flat and not stretched.

Before you start

- Begin with a magic ring: wind the yarn once round two fingers, work round 1 into the loop, then pull the tail to draw the ring closed.
- Each round is joined with a slip stitch in its first single crochet. The chain at the start of a round does not count as a stitch. The first stitch of a round goes into the stitch the round before was joined in, unless the round begins with a slip stitch: then it goes where the round says, into the space you have just slip stitched into.
- Where the pattern says BLO, put the hook under the back loop only; the front loop stays on the outside as a ridge.
- Moss stitch: each single crochet goes into a chain-1 space of the round before, and each chain 1 passes over a single crochet.
- To change color, draw the new yarn through as the last yarn over of the stitch before. Cut the old yarn, leaving a tail of 6 in (15 cm). Where only one or two rounds are worked before the old yarn is used again, do not cut it: carry it loosely up the inside.
- Colors, round by round. Rounds 1 to 22: A. Rounds 23 to 25: B.

Instructions

Chosen: Medium. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and sk is miss.

Yarns in order of use: A, clay; B, bone.
