Gauge

11 stitches and 9 rounds to 4 in (10 cm) in half double crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 4 the base should measure about 3½ in (9 cm) across, laid flat and not stretched.

Before you start

- Hold two strands of the yarn together throughout. The amount given is for both strands.
- Begin with a magic ring: wind the yarn once round two fingers, put the hook through the ring and draw up a loop. Work round 1 into the ring, then pull the tail to draw the ring closed.
- Each round is joined with a slip stitch in its first stitch. The chain at the start of a round does not count as a stitch. Work the first stitch of a round into the stitch the round before was joined in.
- Work firmly.
- To change color where a joined round begins, draw the new yarn through as the last yarn over of the slip stitch that ends the round before. Cut the old yarn, leaving a tail of 6 in (15 cm).
- About 7 in (18 cm) across and 4½ in (11.5 cm) tall.
- Colors, round by round. Rounds 1 to 15: A. Rounds 16 to 18: B.

Instructions

Chosen: Medium. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and hdc is half treble.

Yarns in order of use: A, terracotta; B, blush.

Round 9 is worked in the back loop only: put the hook under the back loop of each stitch alone. It turns the base up into the sides.
