Gauge

15 stitches and 8 rounds to 4 in (10 cm) in double crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower. The depths below are worked out from the rounds: to 4 in (10 cm) go 16 rounds of single crochet or 8 rounds of double crochet.

The pattern also stops you to measure after round 3.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 7, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 12½ in (32 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- The bow is worked in rows: the chain at the start of a row does not count as a stitch, and the first stitch after the turn goes into the last stitch of the row before.
- Newborn: for a head of 13½ in (34 cm). The finished hat is about 12½ in (32 cm) round and about 5 in (13 cm) deep.

Instructions

Chosen: Newborn, head 13½ in (34 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Hat

Yarn A, pink.

☐ **Foundation**	Make a magic ring.	

Crown

☐ **Rnd 1 (RS)**	Ch 3, 12 dc in MR, sl st in first dc to join	**(12 dc)**
☐ **Rnd 2**	Ch 3, 2 dc in each st around, sl st in first dc to join	**(24 dc)**
☐ **Rnd 3**	Ch 3, **[**2 dc in next st, dc in next st**] 12 times**, sl st in first dc to join	**(36 dc)**

Stop and measure now, after round 3. After round 3 the crown, laid flat, should measure about 3 in (8 cm) across.

☐ **Rnd 4**	Ch 3, **[**dc in next 3 sts, 2 dc in next st**] 3 times**, **[**dc in next 2 sts, 2 dc in next st**] 8 times**, sl st in first dc to join	**(47 dc)**

Sides

☐ **Rnds 5 to 7**	Ch 3, dc in each st around, sl st in first dc to join	**(47 dc)**

A box for each round, 5 to 7: tick them off as you go. The heavy box is where you stop and measure.

5 6 **7**

Stop and measure now, after round 7. After round 7, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 12½ in (32 cm) round.

A box for each round, 8 to 9: tick them off as you go.

☐ **Rows 2 to 6** Ch 1, turn; sc in each st across **(10 sc)**

A box for each row, 2 to 6: tick them off as you go.

2 3 4 5 6

☐ **End** Fasten off, leaving a tail of 40 in (102 cm).

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. Bow: weave the beginning tail of the strip in along its edge first, on the back. With the needle run the long tail along the edge of the strip, through the edge stitches, to the middle of one long side. With the right side toward you, pleat the middle of the strip so that its end view is a W: its two long edges and the line halfway between them come toward you, with a valley on each side of that line. Wrap the tail tightly round the pleats about 10 times to make the knot; fasten it at the back. With what is left of the tail sew the bow to the middle of the front, opposite the line where the rounds are joined, just above the band, through the knot.

Finishing

- Weave in every end on the inside of the hat.

In all: 2 pieces; 508 stitches (448 in the hat, 60 in the bow); 6 ends to weave in.
