Outlined scallop border

Round a small cloth · US terms

Finished size
Stands out about 1¼ in (3 cm)
About 9 × 9 in (23 × 23 cm) with a finished rectangle of 21 stitches by 24 rows of single crochet

Skill
Easy
Shells, chain spaces

Yarn
Medium (4), 3 colors

Hook
5.5 mm (US I-9)

Gauge
13 stitches and 15 rows to 4 in (10 cm)
In single crochet.

You will need

Yarn A: the color of your piece, first round	**about 10 yd (9 m), an estimate**
Yarn B: dusty blue, scallops	**about 30 yd (27 m), an estimate**
Yarn C: navy, outline	**about 15 yd (14 m), an estimate**

Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.

To work on: a finished rectangle of 21 stitches by 24 rows of single crochet, already made. It is written out under Instructions. Its yarn is not in the amount above.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. For another length of edge, the yarn for a side is in proportion to its length.

Sizes

Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 1 a side, measured between two corner stitches, is about 6.5 in (16.5 cm). If yours is shorter, work with a larger hook; if it is longer, with a smaller one. Do not change the number of stitches: the rounds that follow are counted on it.

To fit your own piece, work round 1 so that the stitches between two corner stitches are a multiple of 6 plus 3 (15, 21, 27 and so on), the same on opposite sides; work 2 single crochet in one stitch to gain a stitch or skip one to lose it, spread along the side. For every 6 stitches more than 21 on a side, that side takes: round 2, 2 more of the repeat that begins "ch 3"; round 3, 2 more of the repeat that begins "5 dc in next ch-3 sp"; round 4, 2 more of the repeat that begins "sk next st". For every 6 fewer, as much less. The corners do not change.

Before you start

- Round 1 begins in the right-hand stitch of the top edge (the last row, RS facing), which is its "first st"; it goes along the top edge, down the left side, along the foundation edge and up the right side.
- Corner stitch: the middle stitch of those worked into one corner. Where a round opens with part of a corner, the last stitches of the round go into that same first stitch and complete the corner; its corner stitch is then the first stitch of the round.
- Along the row ends, round 1 takes 6 stitches to every 7 rows, one more at the end, and skips the first and the last row end, next to the corners.
- The foundation edge is the underside of the starting chain: work into what each chain has left free.
- The slip stitch that joins a round is not counted.
- A round that opens with a slip stitch into the corner space beside the join passes over one stitch on the way. That stitch is the last of the last side: it is skipped or worked there in its turn, as the words say.
- Round 4 begins in the top of the ch 3 of round 3, which is the first of the 9 dc of a corner; the middle of the 9 is the corner stitch.
- The ch 3 at the start of a round counts as a dc. The first st of the next round is then the top of that ch 3.
- A ch 1 at the start of a round does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.

- Every round is worked with the right side facing; do not turn.
- To change color between rounds: close the round, cut the yarn, leaving a tail of about 6 in (15.2 cm), and fasten off. The next round says where to join the new color. The yarn amounts and the ends to weave in are counted this way.
- The piece is 21 stitches by 24 rows of single crochet, about 6.5 in (16.5 cm) by 6.4 in (16.3 cm). The edging stands out about 1.3 in (3.3 cm) on every side, so that with it the whole is about 9 in (22.9 cm) by 9 in (22.9 cm).
- The totals and the yarn amounts are those of the edging. The piece has 2 ends of its own and, if you make it too, takes about 45 yd (41 m) of yarn A, an estimate worked out in the same way.
- Round 1 leaves 21 stitches between two corner stitches on every side.

Instructions

Chosen: Round a small cloth. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Yarns in order of use: A, the color of your piece; B, dusty blue; C, navy.

☐ **Foundation**	A finished piece of 21 sts by 24 rows, RS facing.
