Gauge

14 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 2 the head measures about 1¼ in (3 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Rounds are worked with the right side facing; do not turn.
- Magic ring: wrap the yarn round two fingers, work the first round or row into the loop, then pull the tail until the ring is closed. Four chains joined into a ring with a slip stitch may be used instead.
- A chain 1 at the start of a round or a row does not count as a stitch.
- Fasten off the old color, then join the new one with a slip stitch in the place named; the first stitch or chain of the line is worked in that same place.
- Working along the other side of the chain: turn the piece round, not over, and work into the unused loops of the foundation chain, beginning in the chain next to the one just used.
- At the start of a round, same st is the stitch the round before was joined in; after a new color is joined, it is the stitch the color was joined in.
- The figures in brackets at the end of a line count its stitches; slip stitches are not counted.
- The ear is worked from a ring in two rows that are not joined, so that its lower edge is straight. The right side faces you in both rows: do not turn, but fasten off and start again at the first stitch.
- The distances under FINISHING are for the yarn and gauge above; in another yarn make them larger or smaller in the same proportion as the size.
- Backstitch (sewn): thread the yarn needle and bring it up from the back one stitch length (about ¼ in, 0.6 cm, unless the line names another) along the line. Put it down at the start of the line and bring it up again one stitch length ahead of where it last came up; keep going down at the end of the stitch before and up one length ahead.
- French knot (sewn): bring the yarn needle up from the back, wrap the yarn twice round the needle close to the surface, hold the wraps and put the needle down beside the place where it came up. For a large knot use the yarn double and wrap it three times.
- Straight stitch (sewn): bring the yarn needle up from the back at one end of the stitch and put it down at the other end.
- The same words in another yarn make another size, measured the longest way: fine yarn (2) and a 3.25 mm hook, about 2½ in (6 cm); light yarn (3) and a 4 mm hook, about 3 in (8 cm); bulky yarn (5) and a 6.5 mm hook, about 5 in (13 cm).

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble and dc is treble.

Finishing

- Block: pin the pieces to shape on a flat surface, spray them with water and let them dry.
- Pin the ears behind the top of the head, leaning outward a little, the middle of each straight edge 3/8 in (1 cm) inside the edge of the head and the two middles 1 5/8 in (4 cm) apart. Sew them on from the back.
- Sew the snout on with its long side across the face, its middle 3/8 in (1 cm) below the middle of the head.
- With C, work a large French knot for each eye ½ in (1.3 cm) above the middle of the head, 1 3/8 in (3.5 cm) apart.
- With C, work two upright straight stitches on the snout for the nostrils, each ¼ in (0.6 cm) long and 3/8 in (1 cm) apart, and the mouth in backstitch just below the snout: a shallow curve ¾ in (1.9 cm) wide with its ends up.
- To sew the applique on, pin it where it is to go and sew round its edge with the long tail, under the outermost strands of the stitches.
- Weave in all the ends that are left with the yarn needle.

In all: 4 pieces; 180 stitches (126 in the head, 14 in each ear, 26 in the snout); 14 ends to weave in.
