Gauge

38 stitches to 4 in (10 cm) in double crochet.

38 double crochet to 4 in (10 cm).

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 4 the piece should measure about 1½ in (4 cm) across, laid flat.

Before you start

- Magic ring: wrap the yarn round two fingers, work the first round into the loop, then pull the tail to close it. Ch 4 joined into a ring with a sl st does as well.
- Every round is worked with the right side facing; do not turn.
- A beginning chain counts as the stitch in brackets after it. A ch 1 at the start of a round does not count as a stitch.
- When the next stitch or space of a kind is named, pass over anything else that comes before it. Work into a space round the chain, not into it.
- The sl sts at the start of a round carry the yarn to where the round begins; they are not counted.

Instructions

Chosen: Size 10 thread. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.
