Yarn B: cream, part of the scarf and the cream ball	**about 60 yd (55 m), an estimate**
Yarn C: raspberry, stripes of the scarf and the raspberry ball	**about 85 yd (78 m), an estimate**

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 15 percent added.

Gauge

14 stitches and 16½ rows to 4 in (10 cm) in moss stitch. Along a row, count every stitch and every chain between stitches as one.

Check it on the scarf itself, laid flat and not stretched, when 16 rows are done: the 25 places of a row in Women are about 7¼ in (18 cm) wide and the 19 in Child about 5 3/8 in (13.8 cm), and the 16 rows are about 3 7/8 in (9.9 cm) tall. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

Notes

- The ch 1 at the start of a row or a round does not count as a stitch.
- Every row has the same number of places: each single crochet is one and each chain space is one.
- Linen stitch is also called moss stitch or granite stitch.
- To change yarn, work the last yarn over of the last stitch of the row before with the new yarn. If the old yarn is needed again after only 2 or 4 rows of another yarn, leave it hanging at the edge and bring it loosely up the side when you need it. Otherwise cut it, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- Leave a tail of about 6 in (15 cm) when you begin and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- When a ball runs out, join the next at the end of a row: work the last yarn over of the last stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both.
- Magic ring: wind the yarn once round two fingers, put the hook through the ring and pull up a loop of the working yarn. Round 1 begins with this loop on the hook. Work round 1 into the ring, over both strands, then pull the tail to close it.
- In joined rounds, the first stitch of a round goes into the same stitch as the joining sl st. The joining sl st itself is not a stitch and is not worked into.
- The pom-poms are small parts on cords: a scarf with them is not for a child under three. For a smaller child leave them off.
- A ball is worked with its right side outside: the right side of a round is the side that faces you as you work it.

Assembly

1. Weave in the ends of the scarf. The first tail of each ball is pushed inside it with the stuffing.

2. Balls: push in a little more stuffing where a ball is soft. With its tail on the yarn needle go once through the front loop of each of the 6 stitches of round 8, pull the hole shut and sew 2 stitches across it. Leave the tail hanging: it is for the stem.

3. Stems: put the hook through the closed top of a ball, pull up a loop of its tail about 1 in (2.5 cm) from the ball, yo, and pull through: the loop is joined. With a raspberry ball ch 12; with a cream ball ch 5. Draw the last chain up a little and take the hook out, so that it waits.

4. Places: each short end of the scarf has 25 places. On the foundation edge they are the 25 chains that row 1 was worked over; on the last row they are its stitches and its chain spaces. Put a marker in the 2nd, 6th, 9th, 13th, 17th, 20th and 24th place of each end.

5. Hang the balls: lay the scarf right side up with one short end toward you. From the left the order is raspberry, cream, raspberry, cream, raspberry, cream, raspberry, and it is the same at the other end. For each ball put the hook through the marked place from the wrong side to the right side, catch the waiting loop, and pull it through the place. Draw the whole tail through this loop and pull it tight. Then, with the tail on the yarn needle, sew 2 stitches through the same place on the wrong side, run the tail down through the stem into the ball and cut it there.

Finishing

- Pull at every ball once: a stem that gives is sewn again.

In all: 15 pieces; 4,941 stitches (3,429 in the scarf, 108 in each raspberry ball, 108 in each cream ball).
