You will need

Yarn A: coral cotton, waistband, ties and first band	**about 225 yd (206 m), an estimate**
Yarn B: melon cotton, second band	**about 145 yd (133 m), an estimate**
Yarn C: apricot cotton, third band	**about 145 yd (133 m), an estimate**
Yarn D: sand cotton, last band and hem	**about 160 yd (146 m), an estimate**

Fiber: cotton

Hook: 4 mm (US G-6), or the size that gives you the gauge. Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Gauge

18 stitches and 9 rows to 4 in (10 cm) in diamond mesh, where a loop of 5 chains counts as 3 stitches.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 24 the piece, laid flat, is about 10.1 in (25.7 cm) from the first row to the last. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another width chain 3 stitches more or fewer for every loop of the mesh (0.7 in (1.8 cm) of width): the foundation is 3 for each loop, 1 for the last stitch, 144 for the two ties and 1 to turn. In row 1 and row 3 the stitches change by the same number, and so does the long run of dc in the middle of row 2; row 4 then has one loop more or fewer, and so has every row of mesh. In row 60 the square brackets are worked 1 time fewer than there are loops. For longer ties chain the same number of stitches more for each end: for 10 stitches more at each end (2.2 in (5.6 cm)) the foundation has 20 chains more. Work the added stitches as sc in all three rows: rows 1 and 3 have all of them more (20 in this case), and row 2 begins with 34 sc where it has 24 now, ends with 34 sc where it has 24 now, and keeps its hdc and its dc as they are. In row 4 skip 72 stitches and the added stitches of one end (82 in this case), and leave as many unworked at the other end. For a longer sarong work more rows of mesh before the hem, always 2 at a time (one that begins with ch 5 and one that begins with ch 1), in one color or in each of them; every 2 rows add about 0.9 in (2.3 cm) and one knot of fringe.

Before you start

- The ch 5 at the start of a row counts as a dc and a ch-2 sp. The stitch that closes over it goes into its 3rd chain.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Where several stitches have one place after them, as in "2 sc in next ch-5 sp", they are all worked into that one place.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- Fasten off at the end of row 3. Row 4 is begun with a new length of yarn A in the middle of row 3: turn, pass over the 72 stitches of one tie, join in the next stitch (the first of the skirt) and, at the end, leave the 72 stitches of the other tie unworked.

- In the rows of mesh the sc goes round the chain of the loop, not into one of its chains. The rows begin and end in two ways in turn: with half a loop (a dc and ch 2, or ch 2 and a dc) and with a whole one. In the rows that begin with a whole loop the ch-2 sp at each end of the row below is passed over and left unworked; only row 60 has a sc in each of the two.
- The wrap is about 42.2 in (107.2 cm) wide below the waistband and about 25.9 in (65.8 cm) deep, without the fringe; the ties are about 16 in (40.6 cm) long at each end. It goes once round hips of about 36.2 in (91.9 cm) with 6 in (15.2 cm) over, or round larger hips with less over.
- Rows 1 to 3 are the waistband and the two ties, one long strip; the ties taper because row 2 begins and ends with short stitches. Rows 4 to 59 are the mesh, worked on the middle 190 stitches only, and row 60 is the hem. Yarn A: rows 1 to 17. Yarn B: rows 18 to 31. Yarn C: rows 32 to 45. Yarn D: rows 46 to 60.

Instructions

Chosen: S to M. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble and dc is treble.

Yarns in order of use: A, coral cotton; B, melon cotton; C, apricot cotton; D, sand cotton.

Finishing

- Fringe: one knot in the end of every second row of the mesh, rows 4, 6, 8 and so on to 60, at the side where these rows end (29 knots, all on the one side). Cut pieces of yarn 10 in (25.4 cm) long: 21 of yarn A, 21 of yarn B, 21 of yarn C, 24 of yarn D. For each knot hold 3 pieces of the color of its row together and fold them in half, draw the fold from back to front through the last ch-5 loop of the row (in row 60, the hem, which has no loops, through the space that the last sc but one of the row was worked into: it lies under the turning chain at the start of row 59), pass the ends through the fold and pull snug. Let the fringe hang and trim it to about 4 in (10.2 cm).
- Weave in the ends.

In all: 60 rows; 4,805 stitches.
