puff (Puff stitch): [yarn over, insert the hook in the place named, yarn over and pull up a loop to the height of a double crochet] 3 times (7 loops on the hook), yarn over and pull through all 7 loops, ch 1 to close; the closing chain is part of the puff and is not counted. It leaves 1 puff for the next row.

cluster (Cluster): [yarn over, insert the hook in the place named, yarn over and pull up a loop, yarn over and pull through 2 loops] 3 times, all in the same place (4 loops on the hook), yarn over and pull through all 4 loops. It leaves 1 cluster for the next row.

Gauge

14 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 2 the piece measures about 2¼ in (6 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Rounds are worked with the right side facing; do not turn.
- Magic ring: wrap the yarn round two fingers, work the first round or row into the loop, then pull the tail until the ring is closed. Four chains joined into a ring with a slip stitch may be used instead.
- A chain that counts as a stitch is marked so in its line and is included in the count.
- Fasten off the old color, then join the new one with a slip stitch in the place named; the first stitch or chain of the line is worked in that same place.
- A slip stitch at the start of a round only carries the yarn to the place named; the first stitch of the round is worked in that same place. If stitches lie between the joining and that place, slip stitch across them first.
- The figures in brackets at the end of a line count its stitches and the chain spaces between them; slip stitches are not counted.
- The same words in another yarn make another size, measured straight across: fine yarn (2) and a 3.25 mm hook, about 3½ in (9 cm); light yarn (3) and a 4 mm hook, about 4¼ in (11 cm); bulky yarn (5) and a 6.5 mm hook, about 7 in (18 cm).

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, hdc is half treble, dc is treble and tr is double treble.
