Special stitches

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well. It leaves 1 fpdc for the next row.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post. It leaves 1 bpdc for the next row.

Gauge

16 stitches and 8½ rounds to 4 in (10 cm) in double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 26; begin in the 3rd ch from the hook and work 13 rows of double crochet on 24 sts, about 6 in (15 cm) wide and 6 in (15 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large.

Before you start

- Women's sizes.
- The finished bust is 2 in (5 cm) wider than the body measurement at each size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- Worked from the neck down in one piece. The rounds are not turned; the right side always faces you.
- The rounds begin at the middle of the back, so the first and the last section of each round are the two halves of the back.
- Work the foundation chain and the neckband loosely: the neck has no opening and must go over the head.
- The chain at the start of a round or row (ch 1 for single crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch into the stitch at its base.
- A ch-1 sp marks each of the four raglan lines. The ch-1 sps are counted apart from the stitches.
- At the underarms, work into each of the new chains as into a stitch on the next round. The sleeves are worked into the free side of these chains.
- For the rib, always work around the post (the upright part) of the stitch below, not into its top.
- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again within 6 rnds, carry it loosely up the inside at the join.

Instructions

Chosen: Size M. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
