Gauge

14 stitches and 15 rows to 4 in (10 cm) in single crochet.

Work a piece a little more than 4 in (10 cm) square, lay it flat and count. If you count more stitches than this, use a larger hook; if fewer, a smaller one.

Before you start

- Rounds are worked with the right side facing; do not turn.
- Magic ring: wrap the yarn round two fingers, work the first round or row into the loop, then pull the tail until the ring is closed. Four chains joined into a ring with a slip stitch may be used instead.
- A chain that counts as a stitch is marked so in its line and is included in the count.
- Fasten off the old color, then join the new one with a slip stitch in the place named; the first stitch or chain of the line is worked in that same place.
- The figures in brackets at the end of a line count its stitches and the chain spaces between them; slip stitches are counted in the cord alone.
- The same words in another yarn make another size, measured the longest way: fine yarn (2) and a 3.25 mm hook, about 23¼ in (59 cm); light yarn (3) and a 4 mm hook, about 27 in (69 cm); bulky yarn (5) and a 6.5 mm hook, about 44¼ in (112 cm).

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and dc is treble.

Finishing

- Block: pin the pieces to shape on a flat surface, spray them with water and let them dry.
- The cord has 122 stitches. Leave the first 12 free for tying. Run the tail of a triangle under the stitches to the next corner. Lay the edge that begins there along the next 18 stitches of the cord, right side facing you and touching the underside of the cord: it has 18 stitches and chains, from the middle chain of one corner to the middle chain of the next. Sew it on with the tail, taking in one strand of the cord and the top of each dc or chain.
- Leave 2 stitches free, sew on the next triangle in the same way, and go on to the last; 12 stitches are left free at the end.
- Weave in all the ends that are left with the yarn needle.

In all: 6 pieces; 467 stitches (69 in each triangle, 122 in the cord); 32 ends to weave in.
