Special stitches

flower: Ch 5, sl st in 4th ch from hook to form a ring, (ch 2, 3 hdc, ch 2, sl st) 5 times in the ring, sl st in the first of the 5 chs. It leaves It stands out from the stitch before it. for the next row.

Gauge

15 stitches and 8 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 8.5 in (21.6 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

The scarf has 18 rows before the flowers and the shoulder shawl 28; each is printed in full when it is chosen. The flowers face the front only when their row is a right side row, so work an even number of plain rows: a row numbered n has dc in the next 4 x n - 6 sts of each half. In the row of flowers the brackets go over 6 sts, and the sts left over in each half, if there are any, are worked as plain sc at its outer end. Each row adds about 1.4 in (3.6 cm) to the top edge.

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 26.1 in (66.3 cm) across the top edge and 13.1 in (33.3 cm) deep.
- 18 rows of double crochet; the last row, row 19, is the row of flowers in yarn B and is worked with the right side facing.
- The size is that of the triangle to the row of single crochet. The flowers hang about 1.2 in (3 cm) below it.

Instructions

Chosen: Scarf. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble and dc is treble.

Yarns in order of use: A, meadow green; B, rose pink.

Finishing

- Flower centers: each is a French knot, a small knot wound on the needle. For each flower thread the yarn needle with a piece of yarn C about 10 in (25.4 cm) long. Bring the needle up from the back through the foot of one petal, close beside the ring in the middle of the flower, and draw the yarn through, leaving 3 in (7.6 cm) at the back. Wind the yarn three times round the needle, close to the flower. Take the needle down on the far side of the ring, between the two petals opposite, hold the turns down with a fingertip and draw the yarn through them to the back: the knot now lies across the ring. Tie the two ends of the piece together at the back and weave them in.
- Weave in the ends.

In all: 19 rows; 1,477 stitches; 50 ends to weave in.
