## Gauge

**11 stitches and 8 rows to 4 in (10 cm)** in shell stitch.

Check it on the scarf itself, laid flat and not stretched, when 14 rows are done: rows 7 to 14, eight rows of shells, are about 4 in (10 cm) tall. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

## Before you start

- The ch 1 or ch 2 at the start of a row does not count as a stitch, nor do the 2 chains skipped in row 1. The ch 3 counts as a dc.
- Five double crochets in one stitch make a shell. Each shell is worked into the sc between two shells, and each sc into the middle dc of a shell, the third of the five.
- The ch 3 at the start of a row stands over the first st, the sc that ended the row below; "same st" means that sc, so that the ch 3 and 2 dc make half a shell.
- The first row of FPdc and BPdc in each cuff goes round the plain dc of the row below, in turn from the front and from the back. In the three rows after it every FPdc goes round a stitch that stands out toward you and every BPdc round one that lies back.
- To change yarn, work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn at the end of its stripe, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- Leave a tail of about 6 in (15 cm) when you begin and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.

- When a ball runs out, join the next at the end of a row: work the last yarn over of the last stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both.
- Whip stitch: the seams here join the ends of rows, and a row end has no two loops to go under. Lay the two edges side by side, the row ends in pairs. With the yarn on a yarn needle, pass the needle through the end stitch of a row on one edge, under two strands of it, and through the end stitch of the row beside it on the other edge, and pull the yarn through; then go on to the next pair of row ends, always from the same side. Sew 2 or 3 times into the first pair and into the last, so that the seam holds.

## Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sc is double crochet, hdc is half treble, dc is treble, FPdc is front post treble, or raised treble front, BPdc is back post treble, or raised treble back, sc2tog is double crochet 2 together, sc3tog is double crochet 3 together and sk is miss.

☐ **End** Fasten off.

### Assembly

**1.** Weave in the ends. Fold the scarf in half along its whole length, right sides together, so that it is about 9 in (23 cm) wide, with the side edges lying on each other.

**2.** Cut a length of A about 152 in (386 cm) long, and cut it in two, a half for each sleeve.

**3.** First sleeve: begin at the edge of the cuff and whip stitch the two side edges together along rows 1 to 42, the 42 row ends of one edge to the 42 of the other: 2 stitches in each pair of row ends. Fasten off and weave in.

**4.** Second sleeve: sew the last 42 rows, 92 to 133, in the same way from the other cuff, 2 stitches in each pair of row ends. The 49 rows between the two seams stay open.

**5.** Turn it right side out. To wear it, put an arm in each sleeve with the open middle behind you: one open edge lies round the neck and the other across the back.

## Finishing

- Weave in the ends with the yarn needle, changing direction once or twice.

In all: 133 rows; 6,242 stitches.
