Gauge

14 stitches and 7 rounds to 4 in (10 cm) in granny rounds.

In granny rounds, with the hook named: 14 places to 4 in (10 cm), where three dc and the ch 1 after them are 4, and 7 rounds to 4 in (10 cm). Check it on the first square itself when 3 rounds are done, laid flat and not stretched: it is about 3½ in (9 cm) from one straight edge to the other. A finished square is about 6 3/8 in (16 cm). If it measures more, start again with a smaller hook; if it measures less, with a larger one.

Notes

- The squares are worked in joined rounds, always with the right side facing: do not turn. All six kinds are worked alike; only the colors change places. How many of each kind a size needs stands beside its name, and for every size in the next note.
- Squares of each kind, from one to six: Lap 7, 7, 7, 7, 7, 7 (42 in all); Twin 23, 23, 24, 24, 23, 23 (140 in all); Full 33, 28, 33, 28, 32, 28 (182 in all); Queen 35, 35, 35, 35, 35, 35 (210 in all); King 45, 40, 45, 40, 45, 40 (255 in all).
- B to G are the scraps. Use any six colors you have, or more: what counts is that every round is another color than the round before. To judge a leftover: for one square, with both tails and 30 percent added, round 1 takes about 2½ yd (2½ m), round 2 about 3½ yd (3½ m), round 3 about 5 yd (4½ m), round 4 about 6½ yd (6 m) and round 5 about 8 yd (7 m). A is the one yarn to buy: it closes every square, sews them and makes the first two rounds of the border. The scrap F also makes the last two rounds of the border, so that more of it is needed than of the other five.
- The ch 3 at the start of a round counts as its first dc. In the last round of a square and in the border the ch 1 at the start of a round does not count as a stitch, and neither does a joining sl st.
- Every round but the first begins in a corner: after the last round is joined, fasten off, and join the next yarn with a sl st in the next ch-2 sp, the corner space that follows. The ch 3, the 2 dc, the ch 2 and the next 3 dc all go into that space. 3 dc go into every ch-1 sp between two groups, and the dc of the round below are passed over.
- In the last round of a square one hdc goes into the top of each dc, one into each ch-1 sp, and (hdc, ch 2, hdc) into each corner ch-2 sp. The round joined in a corner begins and ends there: its last hdc goes into the dc just before that corner, the one that was the last of its three. A side has 21 hdc between its two corner spaces.
- Stitches in parentheses are all worked into the one place named after them.
- To join a yarn with a sl st, make a slip knot of it on the hook, put the hook in the place named, yo, and pull through the place and the loop on the hook. Leave a tail of about 6 in (15 cm) whenever a yarn is joined or fastened off, and weave the tails in on the wrong side, through stitches of their own color, not across a space.
- When a ball runs out in the middle of a round, work the last yarn over of a stitch with the next ball, and leave a tail of about 6 in (15 cm) on both.
- Whip stitch: with the yarn on a yarn needle, pass the needle under both loops of a stitch on one edge and under both loops of the stitch that lies against it on the other edge, and pull the yarn through. Do the same in the next stitch of each edge. At the beginning and at the end of every length, leave a tail of about 6 in (15 cm) on the wrong side and fasten the length there: sew three times through the same place. These fastening stitches are not counted. Weave the tails in afterward.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- Magic ring: wind the yarn once round two fingers, put the hook through the ring and pull up a loop of the working yarn. Round 1 begins with this loop on the hook. Work round 1 into the ring, over both strands, then pull the tail to close it.
- In the border, make the sl st that joins a round with the new yarn where the next round begins "With" another, and cut the old yarn. The first stitch goes into the same st as the join. The right side faces you in every round.
- Buy whole balls from one dye lot.

Border

Yarns in order of use: A, ivory; F, teal.

Work it when the squares are sewn to each other (Putting it together). Along an edge of the blanket each square has 21 sts between its two corner ch-2 sps; where two squares meet, the ch-2 sp of one and the ch-2 sp of the next lie side by side, the seam between them, and each takes one sc.

The first st is the first one after the corner ch-2 sp at the top right corner of the blanket.

☐ **Foundation**	Work around the edge of the joined squares, right side facing: the 6 squares of the top edge, the 7 squares of the left edge, the 6 squares of the bottom edge, the 7 squares of the right edge.
☐ **Rnd 1**	Join A with sl st in first st, ch 1, sc in first st, sc in next 20 sts, **[**sc in next ch-2 sp, sc in next ch-2 sp, sc in next 21 sts**] 5 times**, (sc, ch 2, sc) in next ch-2 sp, sc in next 21 sts, **[**sc in next ch-2 sp, sc in next ch-2 sp, sc in next 21 sts**] 6 times**, (sc, ch 2, sc) in next ch-2 sp, sc in next 21 sts, **[**sc in next ch-2 sp, sc in next ch-2 sp, sc in next 21 sts**] 5 times**, (sc, ch 2, sc) in next ch-2 sp, sc in next 21 sts, **[**sc in next ch-2 sp, sc in next ch-2 sp, sc in next 21 sts**] 6 times**, (sc, ch 2, sc) in next ch-2 sp; join with sl st in first sc (598 sc, 4 ch-2 sps)

Assembly

1. Weave in the ends of every square. Lay the 42 squares out, right sides up, in 7 rows of 6. Every row has the kinds in the order one, two, three, four, five, six, from left to right, over and over, to its end; only the square it begins with changes. The top row begins with square one, the second row with square three, the third with square five, the fourth with square one again, and so on in turn, to the seventh, the bottom row, which begins with square one and ends with square six. The top row ends with square six.

2. Seams across the blanket, 6 of them, one between every row of squares and the next: hold the two rows with right sides together, the bottom edges of the upper row against the top edges of the lower one, square against square, and sew them from one side of the blanket to the other. Cut two lengths of A for each seam, each about 64 in (163 cm) long; a length sews 3 pairs of squares. Whip stitch through both loops of each pair of sts, 23 stitches for each pair of squares: one in the ch-2 sp at the first corner, 21 in the sts and one in the ch-2 sp at the second corner. Go on to the next pair of squares without cutting the yarn. Fasten every length at both ends, as the note on whip stitch says.

3. Seams down the blanket, 5 of them, one between every column of squares and the next: fold the blanket between the two columns with right sides together, and whip stitch the 7 pairs of squares in the same way, 23 stitches a pair, from the top edge to the bottom edge, straight across the seams that are done. Cut two lengths of A for each seam, each about 82 in (208 cm) long; a length sews 4 pairs of squares, the last one 3.

4. Then work the border.

Finishing

- Weave in the ends of the seams and of the border with the yarn needle.
- Lay the blanket flat, damp it, pat its edges straight and its corners square, and leave it until it is dry.

In all: 42 pieces; 13,528 stitches (264 in each square one, 264 in each square two, 264 in each square three, 264 in each square four, 264 in each square five, 264 in each square six, 2,440 in the border); 508 ends to weave in.
