Gauge

16 stitches and 13½ rows to 4 in (10 cm) in half double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 25; begin in the 2nd ch from the hook and work 20 rows of half double crochet on 24 sts, about 6 in (15 cm) wide and 6 in (15 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Waves: a band of 9 rows (four rows of waves and five rows of single crochet) is about 2¾ in (7 cm) high. Single crochet rows (UK: double crochet): about 18.5 rows to 4 in (10 cm).

Notes

- The finished bust is 5¼ in (13.5 cm) wider than the body measurement at each size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The turning chain (ch 1 for single and half double crochet, ch 3 for treble crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- Odd-numbered rows are right side rows. Mark the right side of each piece with a stitch marker or a scrap of yarn.
- In a row of waves the stitches grow from single crochet to treble crochet and back, so the row rises and falls; the second row of waves makes the crests higher, the single crochet rows after it follow the wave, and the last two rows of waves, with their tall stitches in the hollows, fill it in, so that the top is level again.
- Sew every seam with yarn A and the yarn needle, but the collar band with yarn C. For each seam cut a length about three times as long as the seam.
- Color changes in rows: work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again at the same edge within 6 rows and that edge is straight, carry it loosely up the edge.
- Whip stitch: hold the two edges together, put the needle through both from back to front, bring the yarn over the edges and go in again from the back, one stitch along.

Tie: make 2

Yarn B, warm white.

☐ **Foundation**	With yarn B, ch 47.	
☐ **Row 1**	Sl st in 2nd ch from hook and in each ch across	(46 sl sts)
☐ **End**	Each tie is about 10 in (25.5 cm) long (the slip stitches draw the chain in). Fasten off, leaving an end of about 8 in (20 cm) for sewing.	

Assembly

1. Shoulders: lay the fronts on the back with right sides together and the side edges level. Sew the 29 sts of the top edge of each front to the 29 sts at that end of the top edge of the back. The middle 31 sts of the back stay open for the neck.

2. Sleeves: on each side edge of the body, front and back, count 29 rows down from the shoulder seam and place a marker at the 29th row end; this is the armhole, 8½ in (21.5 cm) deep. The top edge of a sleeve has 105 sts: with right sides together put its middle st, the 53rd, at the shoulder seam, and sew the 34 sts on each side of it to the 29 row ends between the seam and the marker. The last 18 sts at each end of the top edge stay free for now.

3. Sleeve seams: fold each sleeve in half with right sides together, so that the two halves of its foundation chain lie level. Sew the 34 row ends of one side to the 34 row ends of the other for the lower edge of the sleeve, and then the 18 free sts of one half of its top edge to the 18 free sts of the other half. These inner 4½ in (11.5 cm) hang free of the body. The foundation chain stays open for the hand.

4. Sides: with right sides together, sew each side seam from the marker at the underarm down to the lower edge, row end to row end (62 rows), so that the bands of waves meet.

5. Collar band: with right sides together, pin the marked edge of the strip to the edges of the fronts and the back neck: row 1 at the lower corner of the right front (as worn), the marker of row 92 at the right shoulder seam, the marker of row 118 at the left shoulder seam and row 210 at the lower corner of the left front. Along each front, counted from the hem, 8 rows of the strip go to the first 8 row ends, 10 rows to the 9 row ends of the wave band, and 74 rows to the 74 row ends above it. The 26 rows between the markers go along the 31 sts of the back neck, about 5 rows of the strip to every 6 sts. Sew the strip on with yarn C, close to the edge. Then fold it in half along its length to the inside, so that its other long edge covers the seam, and sew that edge down with whip stitch. Close the two short folded ends at the hem with whip stitch.

6. Ties: on the inner edge (the fold) of each half of the collar band count 57 rows of the strip up from the hem, and sew the fastened-off end of a tie there to the inside, with the tie's own yarn end. Tie the two ties in a bow or a flat knot.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

In all: 3 pieces; 25,229 stitches (8,099 in the back, 2,639 in each front, 3,570 in each sleeve, 4,620 in the collar band, 46 in each tie).
