Special stitches

picot (Picot): Ch 3, sl st in the 3rd ch from hook. It leaves 1 picot for the next row.

Gauge

13 stitches to 4 in (10 cm) in double crochet.

13 double crochet to 4 in (10 cm). After rnd 4 the piece measures about 4¾ in (12 cm) across from flat side to flat side. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Magic ring: wrap the yarn round two fingers, work the first round into the loop, then pull the tail to close it. Ch 4 joined into a ring with a sl st does as well.
- Every round is worked with the right side facing; do not turn.
- A beginning chain counts as the stitch in brackets after it. A ch 1 at the start of a round does not count as a stitch.
- When the next stitch or space of a kind is named, pass over anything else that comes before it. Work into a space round the chain, not into it.
- The sl sts at the start of a round carry the yarn to where the round begins; they are not counted.
- Join a new color with a sl st in the place named. Fasten off a color only where the round says so; where it does not, the same color goes on into the next round.
- A stitch that holds a sl st is worked into like the others: the last 2 dc of rnd 2 go in the top of the beg ch-3 and in the dc after it; the last dc of rnd 4 and of every even rnd after it goes in the 3rd ch of the beg ch-4.

Instructions

Chosen: Lap. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
