Gauge

20 stitches and 22 rounds to 4 in (10 cm) in single crochet, in a spiral.

20 sc and 22 rounds = 4 in (10 cm), worked in a spiral. To check it, work a flat circle: 6 sc in a magic ring, then 6 more sc in each round (12, 18, 24, 30, 36). After round 6 it should measure about 2¼ in (5.5 cm) across. The stitches should be tight enough that the stuffing does not show.

Before you start

- Every piece is worked in a continuous spiral with the right side facing you: do not join and do not turn. Put the marker in the first stitch of each round and move it up.
- Square brackets hold a repeat; work it as many times as the line says. The number in parentheses is the count at the end of the round.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop and pull the tail to close it. Or chain 2 and work round 1 into the first chain.
- Color change: where a line begins "With A," (or another letter), work the last pull-through of the round before it in A. Cut the old yarn and knot the ends on the wrong side.
- Center line: places on a piece are given by round and by stitches from a center line. It is half way round from where the rounds begin. Mark it with a pin or a scrap of yarn as listed here, run it straight from round 1 to the last round by eye, and count out from it along the round, in stitches and half stitches.
- Head: the center line runs between stitches 27 and 28 of round 11 (54 sts). It faces the front, round 1 at the top.
- Body: the center line runs between stitches 18 and 19 of round 6 (36 sts). It faces the front.
- Right and left are as you look at the front of the toy. Rounds are counted from the start of each piece.
- Running stitches go in and out along a line.
- To work sc2tog, put the hook under the front loop only of each of the next 2 stitches, yarn over, pull through both loops, yarn over, pull through 2 loops.
- No plastic eyes are used: every detail is worked in yarn.
- The rounds and stitches are the same for every size; the yarn and the hook make the difference. Lengths in the words (tails, ovals, details) are for Standard: for another size multiply them by the number in its line.
- Small: fine (2, sport) yarn, 2.25 mm (B-1) hook, 27 sc and 30 rounds to 4 in (10 cm): about 3¾ in (9.5 cm) tall; multiply lengths by 0.74; about 0.74 times the yarn.
- Large: bulky (5, chunky) yarn, 5 mm (H-8) hook, 14 sc and 15.4 rounds to 4 in (10 cm): about 7¼ in (18.5 cm) tall; multiply lengths by 1.4; about 1.4 times the yarn.
- Jumbo: super bulky (6, plush or velvet) yarn, 6.5 mm (K-10½) hook, 11 sc and 12.1 rounds to 4 in (10 cm): about 9 in (23 cm) tall; multiply lengths by 1.8; about 1.8 times the yarn.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.

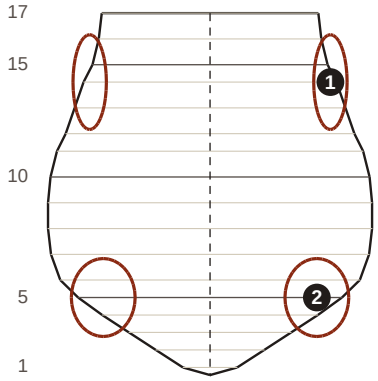
Head: 1 face patch



Body: 1 arms, 2 legs

Each line is a round, counted as the rounds are worked. The upright broken line is the center line. A place with a broken edge is on the far side.

1. Set the head on the open edge of the body (24 sts), center lines in line: the edge lies on round 23 of the head (24 sts). With the tail of the body, sew every stitch of the edge to the head, and top up the stuffing in the neck before the last stitches so that the head does not wobble.

2. Lay the face patch flat on the head, right side out, the middle of it on round 16, on the center line. Ease it into an oval about 2 1/8 in (5.4 cm) wide and 1 5/8 in (4.1 cm) tall as you pin it. Sew down all 30 stitches of the edge.

3. Lay the two eye patches flat on the face patch, right side out, the middle of each ¾ in (19 mm) out from the center of the face patch and 1/8 in (3 mm) above its middle, one to each side. Where one reaches past the edge of the face patch, it lies on the head. Ease each into an oval about 1 in (2.5 cm) wide and ½ in (1.3 cm) tall as you pin it, its outer end lower (a tilt of about 30 degrees). Sew down all 12 stitches of the edge.

4. Pin the two arms to the body: the middle of each open edge lies on round 14, one to each side, 6 stitches from the center line (12 stitches apart). The edge (12 sts) covers about rounds 12 to 16 of the body. They point out to the side and down, turn down by about round 14 of the arm and forward by the tip. Bend each as you pin it, and hold each bend with a few running stitches, drawn up a little, on the side it turns toward. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

5. Pin the two legs to the body: the middle of each open edge lies on round 5, one to each side, 4½ stitches from the center line (9 stitches apart). The edge (12 sts) covers about rounds 3 to 7 of the body. They point forward and out to the side from under the front edge of the body, lying along the table. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

Finishing

- Embroider with one strand of yarn and the yarn needle when the pieces round the place are sewn on; begin and end each strand inside the toy. Satin stitch is straight stitches side by side until the shape is filled. Backstitch is a line of short stitches end to end: bring the needle up one stitch ahead, put it down at the end of the stitch before, and repeat.
- Closed eyes: with B (cream), in backstitch, a closed eye on each side, one curve about ¼ in (6 mm) wide that dips 1/8 in (3 mm) below its ends. The place half way between the two ends of each is on each eye patch, at the middle of the eye patch.
- Nose: with E (black), in satin stitch, an oval about 5/16 in (8 mm) wide and ¼ in (6 mm) tall, its middle on the face patch, centered, 1/8 in (3 mm) below the middle of the face patch.
- Mouth: with C (dark brown), in backstitch, a smile, one curve about ½ in (13 mm) wide that dips 3/16 in (5 mm) below its ends. Its two ends are on the face patch, 5/16 in (8 mm) below the middle of the face patch, one to each side of its center.
- Cheeks: with D (rose), in satin stitch, an oval about ¼ in (6 mm) wide and 1/8 in (3 mm) tall, on the edge of the face patch, half on the patch and half on the head, one to each side, 3/8 in (10 mm) below the level of the middle of the patch.
- Weave every tail through the toy and trim it. For a toy that will be played with, go round each seam a second time with a new length of yarn. Check the seams and small parts from time to time.

In all: 9 pieces; 2,268 stitches (948 in the head, 468 in the body, 90 in the face patch, 18 in each eye patch, 228 in each arm, 135 in each leg); 18 ends to weave in.
