Yarn A: cream, main	**about 430 yd (393 m), an estimate**
Yarn B: camel, stripe	**about 750 yd (686 m), an estimate**
Yarn C: honey, stripe	**about 170 yd (155 m), an estimate**
Yarn D: chocolate, stripe	**about 15 yd (14 m), an estimate**

Hook: 5.5 mm (US I-9), or the size that gives you the gauge. Also: a yarn needle, scissors, a tape measure and straight pins to hold the pieces while you sew; count them when you put them in and when you take them out.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 30 percent added.

Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet. Along a row, count every stitch and every chain between stitches as one.

Check it on the blanket itself when 12 rows are done, laid flat: the 92 stitches of a row are about 28¼ in (72 cm) wide, and the 12 rows are about 3¼ in (8.1 cm) tall. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

Before you start

- Row 1 is a right side row, and so is every odd row. The last row of the blanket is a wrong side row: after it, turn the blanket, so that the right side faces you for the border. The border begins in the st at the right-hand end of the top edge; that is the last st you worked in row 128.
- The ch 1 at the start of a row does not count as a stitch, and neither does the ch skipped at the start of row 1: the first stitch of a row goes into the first st, the one the turning chain rises from, and the last into the last st.
- Work over the carried strands without pulling them tight: spread the stitches just worked out flat before every change of color, so that the row stays as wide as the one below.
- The coat of the blanket is worked in rows of one stitch, one square of the chart to a stitch. A row that faces you with its right side is read from right to left on the chart, and a wrong side row from left to right; the words give every row in the order you work it.
- To change color inside a row, work the last stitch of the old color until its last yarn over, and make that yarn over with the new color. Where a row begins "With" a yarn, make the last yarn over of the row before with it, so that the turning chain is in that yarn too.
- Every yarn runs from edge to edge through the rows that are named for it: lay the yarns not in use along the top of the row below (in row 1, along the foundation chain) and work over them, so that they lie hidden inside the stitches and are at the edge when the row ends. Join a yarn at the edge where the first row named for it begins (a yarn that begins that row is joined with the last yarn over of the row before), with a tail of about 6 in (15 cm), laid in under the first stitches; after the last row named, cut it, leaving a tail of the same length.
- Leave a tail of about 6 in (15 cm) when you begin, when you join a yarn and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- When a ball runs out, work the last yarn over of a stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both. In the rows do it in the last stitch of a row; in the rounds of the border any stitch will do.
- Whip stitch, for a piece that lies on a larger one: with the yarn on a yarn needle, bring the needle up through the larger piece close beside the edge of the piece on top, pass it down through that edge and through the larger piece under it, and pull the yarn through. Then do the same at the next place of the edge. Along a last row or round the needle passes under both loops of each stitch, along a foundation chain under the lower strands of each chain that holds a stitch of row 1, and along a side through the end of each row, between its two outermost strands. Where the sewing begins and where it ends, sew 2 or 3 times into the same place.
- Magic ring: wind the yarn once round two fingers, put the hook through the ring and pull up a loop of the working yarn. Round 1 begins with this loop on the hook. Work round 1 into the ring, over both strands, then pull the tail to close it.
- In joined rounds, the first stitch of a round goes into the same stitch as the joining sl st. The joining sl st itself is not a stitch and is not worked into.
- The ch 1 at the start of a round does not count as a stitch.
- To join a yarn with a sl st, make a slip knot of it on the hook, put the hook in the place named, yo, and pull through the place and the loop on the hook.

- Border: work along the last row, down the ends of the rows, along the other side of the foundation chain and up the ends of the rows. The 3 sc in one place turn a corner.
- The border is worked in the round with the right side facing; do not turn between rounds. The ch 1 at the start of a round does not count as a stitch. Where a round begins "With" a yarn, make the joining sl st of the round before with that yarn, then cut the old yarn, leaving a tail of about 6 in (15 cm). Round 1 takes one sc to the end of every row, a few more than the sides need; round 2 takes them in again with sc2tog, so that the border lies flat. From there an sc2tog counts as one st.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble, sc2tog is double crochet 2 together and yo is yarn round hook.

Assembly

1. Weave in the ends of the blanket, and all the short ends of the small pieces: on each piece weave in the tail it began with, the tails of the colors that were joined or cut, and, on the neck, the tail it ended with. Weave them in on the wrong side of their own piece now, for you cannot reach it when the piece is sewn down. The wrong side of a piece worked in rows is the back of its row 1; of a piece worked in rounds, the side that faced away from you. Leave only the long tails

that the pieces are sewn with.

2. Lay the blanket with the right side up and the foundation chain toward you. In the steps below a row is a row of the blanket, counted upward from row 1 at the foundation chain, and a stitch is a stitch of a row, counted from the right-hand edge of the blanket toward the left; the border is not counted.

3. All the pieces lie flat with their right sides up and are sewn on in whip stitch, as the notes tell it, one sewing stitch to each stitch, foundation chain or row end of the edge; the numbers of sewing stitches in the steps are counted so, and an sc2tog counts as one stitch. Where a piece lies on others, sew through all that lies under its edge. Every piece but the neck is sewn with its own long tail. Lead the tail through the edge of its piece to where you want to begin. When the piece is sewn, bring the needle to the wrong side of what it is sewn to (the ear, for an inner ear; the blanket, for all the others) and weave in what is left of the tail there. Pin each piece first.

4. Inner ears: lay one inner ear on each ear, its foundation chain along the lower edge of row 2 of the ear, with the same number of stitches of the ear to the right and to the left of it, and whip stitch it to the ear all round with its tail, 16 sewing stitches: 2 along the foundation chain, 6 along each side and 2 along the last row.

5. Ears: lay one ear sideways, pointing to the right, its foundation chain along the 18th stitch of rows 61 to 65, and its last row toward the right-hand edge of the blanket. Lay the other pointing to the left, its foundation chain along the 31st stitch of rows 61 to 65. Sew each to the blanket all round, 28 sewing stitches: 4 along the foundation chain, 10 along each side and 4 along the last row.

6. Horns: lay one horn upright, its foundation chain toward you and its row 1 on row 67, over the 20th to 23rd stitches, and the other with its row 1 on row 67, over the 26th to 29th stitches: the two stitches between them stay free. Sew each along its two sides and its last row, 18 sewing stitches; its foundation chain is left unsewn, for the head covers it. Lay a horn tip on the end of each horn so that its middle, the ring, lies on the last row of the horn, and sew it all round to the horn and the blanket, 12 sewing stitches.

7. Neck: lay the neck with its foundation chain toward you and its row 1 on row 1, over the 18th to 31st stitches, close above the border; its last row, row 44, lies on row 44. It has no tail to sew with: cut two pieces of C, each about 52 in (132 cm). With one, begin at the lower left corner and sew along the foundation chain and up the right-hand side, 14 and 44 sewing stitches. With the other, begin at the lower left corner again and sew up the left-hand side and along the last row, 44 and 14 sewing stitches. Leave about 6 in (15 cm) at both ends of each, on the wrong side of the blanket, and weave them in there.

8. Head: lay the head with its foundation chain toward you and its row 1 on row 46, over the 18th to 31st stitches; its widest rows then cover the 16th to 33rd stitches and its last row lies on row 67, over the lower ends of the ears and horns. Sew it all round, 68 sewing stitches: 14 along the foundation chain, 22 along each side and 10 along the last row.

9. Muzzle: lay the muzzle with its foundation chain toward you and its row 1 on row 41, over the 20th to 29th stitches; its widest rows then cover the 15th to 34th stitches and its last row lies on row 53, over the lower part of the head and the upper end of the neck. Sew it all round, 50 sewing stitches: 10 along the foundation chain, 13 along each side and 14 along the last row.

10. Eyes: lay one eye so that its ring lies on row 58 at the 20th stitch, and the other so that its ring lies on row 58 at the 29th stitch. Sew each all round, 10 sewing stitches. Then give each eye a point of light: cut about 20 in (51 cm) of A for both. Begin on the wrong side of the blanket, with a tail of about 6 in (15 cm) there. Bring the needle up through the eye 1/8 in (3 mm) straight above the middle of its ring and pass it down again ¼ in (6 mm) to the right of that place, so that one short straight stitch lies level on the eye. Go from the first eye to the second on the wrong side of the blanket, and weave in both ends there.

11. Nostrils and mouth: cut about 48 in (122 cm) of D for all three. Begin on the wrong side of the blanket, with a tail of about 6 in (15 cm) there, and sew every stitch through the muzzle, the head and the blanket. Stitches of the muzzle are counted here from the edge of the muzzle that is named. The right-hand nostril is three straight stitches, one on top of another, over the 6th and 7th stitches from the right-hand edge in row 10 of the muzzle: bring the needle up at the right of the 6th stitch and pass it down at the left of the 7th, 3 times in the same two places. Go on the wrong side to the left-hand

nostril, and sew it in the same way over the 6th and 7th stitches from the left-hand edge in row 10.

12. With the D that is on the needle, go on the wrong side to the left-hand end of the mouth, at the left side of the 5th stitch from the left-hand edge in row 8 of the muzzle. The mouth is a curved line of 12 backstitches, 6 on each side of its middle, from there down to row 6 at the middle, between the 10th and 11th stitches, and up again to the right side of the 5th stitch from the right-hand edge in row 8. Each backstitch is about 5/16 in (8 mm) long, about the width of one stitch of the muzzle. For the first backstitch, bring the needle up 5/16 in (8 mm) along the line from its left-hand end and pass it down at that end; for each of the others, bring it up 5/16 in (8 mm) farther along the line than the backstitch before came up, and pass it down in the place where that one came up, so that no gap is left between them. After the last one weave in both ends on the wrong side of the blanket. Take out the pins.

Finishing

- Weave in any end that is still loose on the wrong side of the blanket with the yarn needle, through stitches of its own color, changing direction once or twice.
- The giraffe is sewn and embroidered with yarn only, with nothing hard on it: sew every piece down well, all round.

In all: 14 pieces; 14,588 stitches; 38 ends to weave in.
