Gauge

16 stitches and 18½ rows to 4 in (10 cm) in single crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 25; begin in the 2nd ch from the hook and work 28 rows of single crochet on 24 sts, about 6 in (15 cm) wide and 6 in (15 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Granny squares, plain squares and triangle: a round or a row of double crochet (UK: treble) is about ½ in (1.3 cm) high; a group of 3 dc and a ch 1 is 1 in (2.5 cm) wide. A row or round of single crochet is as high as a row of the fabric.

Notes

- Women's sizes. Choose the top by the bust and by the measures of its cups, and the bottom by the hip.
- The top is tied behind the back and the neck and the bottom is tied at the sides, so the ties set the fit: the front and the back of the bottom together are from 6½ in (16.5 cm) to 8 in (20.5 cm) narrower than the hip, by the size, and the side ties span the rest. No fit is promised beyond the measurements given.
- The turning chain (ch 1 for single crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- The chain at the start of a round never counts as a stitch. Work the first stitch of the round into the stitch at its base, where the round was joined.
- A decrease counts as one stitch.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- To work into a chain space, insert the hook under the chain, into the open space.
- The squares and the cups are not turned: the right side always faces you. In the granny triangle each color is cut at the end of its row; weave the ends in behind its long edge.
- In a plain square the last dc of each round stand in the dc that the slip stitches at its start passed over.
- The plain square lines each cup, so that the top needs no other lining.
- Lining: when the edgings of the bottom are worked and before its ties are sewn on, lay the bottom flat on the lining with the wrong side up and with its width across the width of the lining, and cut the lining ½ in (1.5 cm) larger than the piece all around. Turn the edge of the lining under, toward the crochet, so that the fold lies along row 1 of the edgings, and pin it: about ¾ in (2 cm) is turned under. Where an edge curves inward, snip what is turned under a few times, so that it lies flat. Sew the fold down to the wrong side with small slanting stitches of sewing thread that do not show on the right side, and stretch the piece a little as you sew. Without a lining the fabric shows what is under it.
- Cotton takes up water: wet, it grows heavier and longer and it dries slowly. A cotton with some elastic in it, whose label says that it is fit for swimwear, keeps its length better. Rinse out salt or chlorine and dry the piece flat, not hanging.
- Color changes in rows: work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again at the same edge within 6 rows and that edge is straight, carry it loosely up the edge.
- Whip stitch: hold the two edges together, put the needle through both from back to front, bring the yarn over the edges and go in again from the back, one stitch along.
- Front of the bottom from its top to the middle of the crotch, without the edging 9¼ in (23.5 cm).

Its long edge lies on row 1, close to the foundation chain, which is the upper edge of the front as worn and stays free for the top edging. Its ring lies at the middle of row 1 (the 29th of its 57 sts) and its corner points straight down the middle of the front, toward the crotch. Pin it, and with a new length of yarn A of about 80 in (205 cm) sew it down along its three edges with whip stitch. Row 95 is the top edge of the back.

Assembly

1. Cup (make 2): Lay a granny square on a plain square with their wrong sides together, corner over corner, the right side of the granny square facing you. Every stitch of this round is worked through both squares: into a dc or a ch-1 sp of the granny square and into the dc of the plain square that lies behind it. Join yarn A in a corner, through the ch-2 sps of both squares; ch 1, [(sc, ch 2, sc) in the corner, sc in each of the 19 places of the side (15 dc and 4 ch-1 sps of the granny square, 19 dc of the plain one)] 4 times; join with sl st in first sc (84 sc, 4 ch-2 sps). This is rnd 1, and its right side is the side of the granny square. Fasten off. Each side of the cup has 21 sc between two corner spaces.

2. Neck ties: sew one end of a neck tie to the wrong side of the upper corner of each cup, over its ch-2 space, with the yarn end of the tie.

3. Back ties: sew one end of a back tie to the wrong side of each end of the underband, over the ends of rows 3 to 5, with the yarn end of the tie. To wear the top, tie the two back ties behind the back and the two neck ties behind the neck.

4. Side ties: sew one end of a side tie to the wrong side of each of the four top corners of the bottom, at the 2nd sc of row 1 of the top edging from the corner, with the yarn end of the tie. To wear it, tie the two ties of each side in a bow.
