### Special stitches

**cl (Cluster):** [yo, insert hook in the place named, yo and draw up a loop, yo and draw through 2 loops] 3 times, all in the same place, yo and draw through all 4 loops on hook. It leaves 1 cl for the next row.

**beg-cl (Beginning cluster):** Ch 3, [yo, insert hook in the place named, yo and draw up a loop, yo and draw through 2 loops] twice, all in the same place, yo and draw through all 3 loops on hook. It counts as a cl. It leaves 1 beg-cl for the next row.

## Gauge

**14 stitches to 4 in (10 cm)** in double crochet.

14 double crochet to 4 in (10 cm). After rnd 2 the web measures about 2½ in (6.5 cm) across. Measure over the stitches, not over the chain loops. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

## Before you start

- Magic ring: wrap the yarn round two fingers, work the first round into the loop, then pull the tail to close it. Ch 4 joined into a ring with a sl st does as well.
- Every round is worked with the right side facing; do not turn.
- A beginning chain counts as the stitch in brackets after it. A ch 1 at the start of a round does not count as a stitch.
- When the next stitch or space of a kind is named, pass over anything else that comes before it. Work into a space round the chain, not into it.
- The sl sts at the start of a round carry the yarn to where the round begins; they are not counted.
- Join a new color with a sl st in the place named. Fasten off a color only where the round says so; where it does not, the same color goes on into the next round.

## Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

### Assembly

**1.** For the fringe, cut 36 lengths of yarn 20 in (51 cm) long, 16 of A and 20 of B. Fold four of one color at a time, draw the fold round the ring from behind and pull the ends through it. Set nine bundles side by side along the bottom, B and A in turn, beginning and ending with B, and trim them to a point.

**2.** For the loop, fold a 10 in (25 cm) length of yarn A in half and knot it round the ring at the top.

## Finishing

- Weave in all ends with the yarn needle.

In all: 7 rounds; 2 ends to weave in.
