Special stitches

ddc (Drop double crochet): Find the place named in the row just below, look straight down to the row before that, which has the color you are working with, and work a dc into the free front loop of the st there (working row 5, the front loops of row 3). It hangs in front of the stitch of the row just below, which stays unworked behind it and is passed by; pull it up no higher than the sc beside it. In UK terms: a treble into the front loop two rows below. It leaves 1 stitch for the next row or round.

Gauge

13 stitches and 13 rows to 4 in (10 cm) in mosaic rows. Along a row, count every stitch and every chain between stitches as one.

Check it on the throw itself when 13 rows are done, laid flat and not stretched: the 141 stitches of a row in Throw are about 43½ in (110 cm) wide, the 117 in Baby about 36 in (91 cm), and the 13 rows are about 4 in (10 cm) tall. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

Before you start

- Every row is worked with the right side facing you, from right to left. Do not turn. At the end of a row cut the yarn and fasten off, and begin the next row at the right-hand edge with the other color: odd rows are worked with A and even rows with B.
- The ch 1 at the start of a row does not count as a stitch. The join, the ch 1 and the first stitch of the row are all at the first st, the one at the right-hand end of the row below. The last stitch of the row goes into the last st.
- The sc of every row from row 2 on go into the back loop (BLO) of the row just below. The front loops stay free on the right side, for the ddc of the row after. Every sc and every ddc uses up one st of the row just below.
- The joining sl st of a row goes into the back loop only of the first st, and never into its front loop: that loop stays free. The ch 1 rises from it; then comes the first stitch, an sc into the same back loop or a ddc into the front loop of the first st two rows below.
- Ends: the foundation chain has a tail of about 6 in (15 cm) at the left-hand edge, where its slip knot is. Row 1 goes on from the foundation chain without a cut, so that it has a tail at its end only. Every other row has a tail of about 6 in (15 cm) at its start and another at its end. A ddc does not hold a tail, so no tail is worked over: after every 10 rows weave the tails in with the yarn needle, on the wrong side, through the backs of the stitches of their own row for about 3 in (8 cm) and back again for about 1 in (2.5 cm), and trim them. Weave in the last of them before the edging.
- The edging is worked with the right side facing, in joined rounds; do not turn between the rounds. The ch 1 at the start of a round does not count as a stitch.
- To change yarn between rounds, make the joining sl st with the new yarn: put the hook in the first stitch, take the new yarn over the hook and pull it through. Cut the old yarn, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- In joined rounds, the first stitch of a round goes into the same stitch as the joining sl st. The joining sl st itself is not a stitch and is not worked into.
- To join a yarn with a sl st, make a slip knot of it on the hook, put the hook in the place named, yo, and pull through the place and the loop on the hook.
- Edging: work along the last row, down the ends of the rows, along the other side of the foundation chain and up the ends of the rows. The 3 sc in one place turn a corner.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- When a ball runs out in the rows, join the next at the start of a row: do not begin a row that the ball will not finish. When it runs out in the edging, work the last yarn over of any stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both. At the start and the end of the edging leave a tail of the same length.
- Sage in place of black makes the baby blanket a softer one.

Instructions

Chosen: Throw. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and yo is yarn round hook.
