Gauge

26 stitches and 28 rounds to 4 in (10 cm) in single crochet.

A round of double crochet is about twice as tall as a round of single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 2 the heart should measure about 2½ in (6.5 cm) across, laid flat and not stretched. If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Before you start

- Each round is joined with a slip stitch. A chain of 3 at the start of a round counts as its first double crochet and stands in the stitch the round before was joined in. A chain of 1 at the start of a round or a row does not count as a stitch; work the first single crochet of a round into the stitch the round before was joined in.
- Round 1 goes along both sides of the foundation chain: along one side, 3 stitches in the last chain, then back along the other side and 2 stitches in the chain the round began in.
- dc3tog: double crochet 3 stitches together (UK tr3tog): [yarn over, insert the hook in the next stitch, yarn over and draw up a loop, yarn over and draw through 2 loops] 3 times, yarn over and draw through all 4 loops. sc3tog: [insert the hook in the next stitch, yarn over and draw up a loop] 3 times, yarn over and draw through all 4 loops.
- Where the pattern works into a chain space, put the hook under the chain.
- Whip stitch: put the needle through both edges from back to front, one stitch for each stitch or row, and draw the yarn snug.
- Nothing in the sachets is for a small child to play with.
- The lilac and the sage heart have a cream edging and loop, the cream heart a lilac edging and loop. Each sachet takes two hearts of its color.

Instructions

Chosen: Small. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble, sc3tog is dc3tog and sk is miss.

Lilac heart: make 2

Yarn A, lilac.

Bend the chain to a V as you work: the 3 single crochet in the middle of the first side of it make the point of the heart, and the stitches on the other side, across from them, the notch.

Assembly

1. Weave in the tails of every heart on its wrong side. Dampen each heart, pin it out flat on the folded towel, right side up, with its two lobes alike, and let it dry there: it should lie without ruffling.

2. For each sachet lay the two hearts of one color together with the wrong sides inside and the notches and points meeting. The stitch at the notch is the sc3tog of the last round. Hold them together with a stitch marker at the notch and one at the point. Each stitch of the front lies on a stitch of the back, 62 pairs.

3. Work the edging of that color through both layers, putting the hook through a stitch of the front and the stitch behind it, all the way round but for the opening. The opening is at the 11th, 12th and 13th group of double crochet of the round, counted from the notch (the group of 7 at the point is the 8th): work those three groups, and the two single crochet between them, into the front only. The single crochet before the 11th group and the single crochet after the 13th group go through both layers again, and close the two ends of the opening. Between those two, 11 stitches of the back are left free: that is the opening, about 1¾ in (4.5 cm) long. From the front the edging is whole.

4. Fold each loop in half, its two short ends together. Lay the ends on the back of a sachet just below the notch, so that the loop stands up from the notch, and with its tail whip stitch them down through the back only, with six stitches. The cream loops go on the lilac and the sage sachet, the lilac loop on the cream one.

5. Slip a filled fabric bag into each sachet through the opening, one corner of the bag first. Push that corner down into the point of the heart, so that the corner across from it lies below the notch and the other two lie toward the lobes. The bag can be taken out when you wash the sachet.

Finishing

- Draw the two tails of each edging and the two of each loop between the two layers, weave them in there on the wrong side of the back, and cut them.

In all: 9 pieces; 1,410 stitches (175 in each lilac heart, 92 in the edging of the lilac heart, 175 in each sage heart, 92 in the edging of the sage heart, 175 in each cream heart, 92 in the edging of the cream heart, 28 in each cream loop, 28 in the lilac loop).
