Halloween giant granny throw

Standard · US terms

Finished size
About 50 × 50 in (127 × 127 cm)

Skill
Beginner
One cluster repeated, rounds that grow by one cluster a side

Yarn
Medium (4), 4 colors

Hook
5.5 mm (US I-9)

Gauge
15 stitches and 7½ rounds to 4 in (10 cm)
In granny clusters, the ch-1 sps counted as stitches.

You will need

Yarn A: orange, stripes	**about 625 yd (572 m), an estimate**
Yarn B: purple, stripes	**about 500 yd (457 m), an estimate**
Yarn C: black, stripes	**about 925 yd (846 m), an estimate**
Yarn D: lime, stripes	**about 250 yd (229 m), an estimate**

Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: in one spare yarn work a granny square of five rounds and measure it, mark the yarn where it begins and ends, pull it out and measure the yarn it took; divide by the area of the piece and multiply by the area of the blanket. That is the yarn of the stitches, all the colors together: add 6 in (15 cm) for each end to weave in, and some to spare.

Gauge

15 stitches and 7½ rounds to 4 in (10 cm) in granny clusters, the ch-1 sps counted as stitches.

15 stitches and 7.5 rounds to 4 in (10 cm) over granny clusters: stitches along a side, each ch 1 counted as one (a cluster and its ch 1 are four); rounds from the center out

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The blanket is its own test piece: after round 5 it should be about 5.3 in (13.5 cm) from side to side.

Before you start

- The whole blanket is one granny square worked from the center out in rounds. Do not turn: the right side faces you all the way.
- The ch 3 at the start of a round counts as a dc.
- The stitch total of the blanket counts the dc alone, not the chain spaces.
- Stitches in parentheses, or several of one stitch, are all worked into the one place named after them.
- A new color is joined in a corner; move the join to another corner with each color so that the joins do not stack.
- To go on in the same color, slip stitch across the first cluster into the corner space, as the round says.
- Fasten off each yarn at the end of its rounds: after the sl st that joins the round, cut it, leaving a tail of about 6 in (15 cm), and draw it through the loop. Leave a tail of the same length where a yarn begins, at the ring and at every join.
- This size has 47 rounds and 72 ends to weave in.
- Color sequence
- Rounds 1 to 2: A (orange)
- Round 3: C (black)

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and dc is treble.

Yarns in order of use: A, orange; C, black; B, purple; D, lime.

Finishing

- Weave in the ends: each end into stitches of its own color, on the wrong side, turning back once.
- Lay the blanket flat and pull the corners square while it is slightly damp; let it dry flat.
- To make it smaller or larger, stop after any round, or go on: every round adds one cluster to each side.

In all: 47 rounds; 13,536 stitches; 72 ends to weave in.
