Gauge

13 stitches and 11 rows to 4 in (10 cm) in half double crochet in the third loop. Along a row, count every stitch and every chain between stitches as one.

Work a piece a little more than 4 in (10 cm) square, lay it flat and count. If you count more stitches than this, use a larger hook; if fewer, a smaller one.

Before you start

- The ch 2 at the start of a row does not count as a stitch.
- Row 1 is the right side.
- The third loop of a half double crochet is the bar just below its two top loops. After you turn, it lies on the side facing you.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others.
- Whip stitch: with the yarn on a yarn needle, pass the needle under both loops of a stitch on one edge and under both loops of the stitch that lies against it on the other edge, and pull the yarn through. Do the same in the next stitch of each edge. On a foundation chain edge, pass the needle under the lower strands of each chain that holds a stitch of row 1.
- To change yarn, work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn at the end of its stripe, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- For another width, chain more or fewer: each chain adds one stitch to every row. Measure your own stitches to 4 in (10 cm) first.

Instructions

Chosen: Standard. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms hdc is half treble.

Yarns in order of use: A, denim; B, warm white.

The 180 rows below make a strip about 65½ in (166 cm) long: 6 sets of 20 rows in A and 10 rows in B. For another length, work more or fewer whole sets.

Check your width as you go: when row 9 is done, measure the width, across the middle of the rows and not along the chain edge. It is about 8 in (20 cm). If it is wider, start again with a smaller hook; if it is narrower, with a larger one. If only the chain edge is tight, make the chain with a larger hook.

Assembly

1. Lay the strip flat with its right side down. Bring the last row round to lie against the foundation chain, without twisting the strip. The right side is on the outside of the ring.

2. With the long tail, whip stitch the last row to the foundation chain, easing the two edges to fit: about 26 stitches.

Finishing

- Weave in the ends with the yarn needle, changing direction once or twice.

In all: 180 rows; 4,680 stitches; 24 ends to weave in.
