

# Haunted house on a hill C2C graph

US terms

Finished size

**About 45½ × 48½ in (116 × 123 cm)**

Skill

**Intermediate**

Up to 13 color changes in one row. 59 balls to wind, 118 ends to weave in.

Yarn

**Medium (4), 4 colors**

Hook

**5.5 mm (US I-9)**

Gauge

**About 5.3 blocks to 4 in (10 cm) each way**

In corner-to-corner blocks of ch 3 and 3 double crochet.

## You will need

Yarn A: cream, background, wind 2 small balls

Yarn B: violet, cross on the graph, wind 19 small balls

Yarn C: black, dot on the graph, wind 24 small balls

Yarn D: yellow, slash on the graph, wind 14 small balls

Hook: 5.5 mm (US I-9). Also: yarn needle, bobbins or small balls, one for each stretch of color: 59 in all, scissors and tape measure.

**about 325 yd (297 m), an estimate**

**about 1,150 yd (1,052 m), an estimate**

**about 950 yd (869 m), an estimate**

**about 80 yd (73 m), an estimate**

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: work the swatch and measure it, mark the yarn where the swatch begins and ends, pull the swatch out and measure the yarn it took; divide by the area of the swatch and multiply by the area of the piece.

## Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

|              |                                  |
|--------------|----------------------------------|
| <b>ch</b>    | chain stitch                     |
| <b>dc</b>    | double crochet (UK tr, treble)   |
| <b>sl st</b> | slip stitch (UK ss, slip stitch) |
| <b>sp</b>    | space                            |
| <b>RS</b>    | right side                       |
| <b>WS</b>    | wrong side                       |

# Gauge

About 5.3 blocks to 4 in (10 cm) each way in corner-to-corner blocks of ch 3 and 3 double crochet.

The pattern also stops you to measure after row 6.

|                                                                                                                                                                                                                                                                                             |               |            |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|------------|
| <b>The swatch.</b> A test piece to measure and pull out. It is not the start of the pattern. Work the first 8 rows of the pattern in one yarn: a triangle with 8 blocks along each straight edge, about 6 in (15 cm). Count the blocks in 4 in (10 cm) along the middle of a straight edge. |               |            |
| Swatch foundation                                                                                                                                                                                                                                                                           | With A, ch 6. |            |
| Swatch row 1 (RS, increase)                                                                                                                                                                                                                                                                 | 1 A           | (1 block)  |
| Swatch row 2 (WS, increase)                                                                                                                                                                                                                                                                 | 2 A           | (2 blocks) |
| Swatch row 3 (RS, increase)                                                                                                                                                                                                                                                                 | 3 A           | (3 blocks) |
| Swatch row 4 (WS, increase)                                                                                                                                                                                                                                                                 | 4 A           | (4 blocks) |
| Swatch row 5 (RS, increase)                                                                                                                                                                                                                                                                 | 5 A           | (5 blocks) |
| Swatch row 6 (WS, increase)                                                                                                                                                                                                                                                                 | 6 A           | (6 blocks) |
| Swatch row 7 (RS, increase)                                                                                                                                                                                                                                                                 | 7 A           | (7 blocks) |
| Swatch row 8 (WS, increase)                                                                                                                                                                                                                                                                 | 8 A           | (8 blocks) |

## The same graph in other yarn weights

Light (3): 6.2 blocks to 4 in (10 cm), hook 4.5 to 5.5 mm, about 39½ × 42 in (100 × 107 cm).

Bulky (5): 4.1 blocks to 4 in (10 cm), hook 6.5 to 9 mm, about 59¼ × 63¼ in (150 × 161 cm).

No yarn amount has been worked out for these weights.

## Before you start

- Row 1 is the block in the bottom right corner of the graph. Rows run on the diagonal to the top left corner. Odd rows are read from the right edge, later the top edge, down to the bottom edge, later the left edge; even rows are read back up. Each row's label names its two edges.
- The picture reads the right way round on one face of the piece. If yours is mirrored, turn it over.
- Find that face after row 2. Lay the three blocks down with the first block at the bottom right and the other two to its left and above it; turn the piece over and lay it the same way to see the other face. On the face you want, the block you worked first in row 2, the one begun with ch 6, is the one to the left of the first block. That face is your right side for the whole piece.
- Right-handed: expect it to be the face toward you in row 1 and in every odd row, as the row labels say.
- Each square of the graph is one block: ch 3 and 3 double crochet. Rows are counted in blocks. The colors of every row are written in the order you work them: "3 A" is 3 blocks in yarn A.
- Row 1 is one block: dc in the 4th ch from the hook and in each of the next 2 chs. The 3 chains skipped stand at the side of the block and make its ch-3 sp.

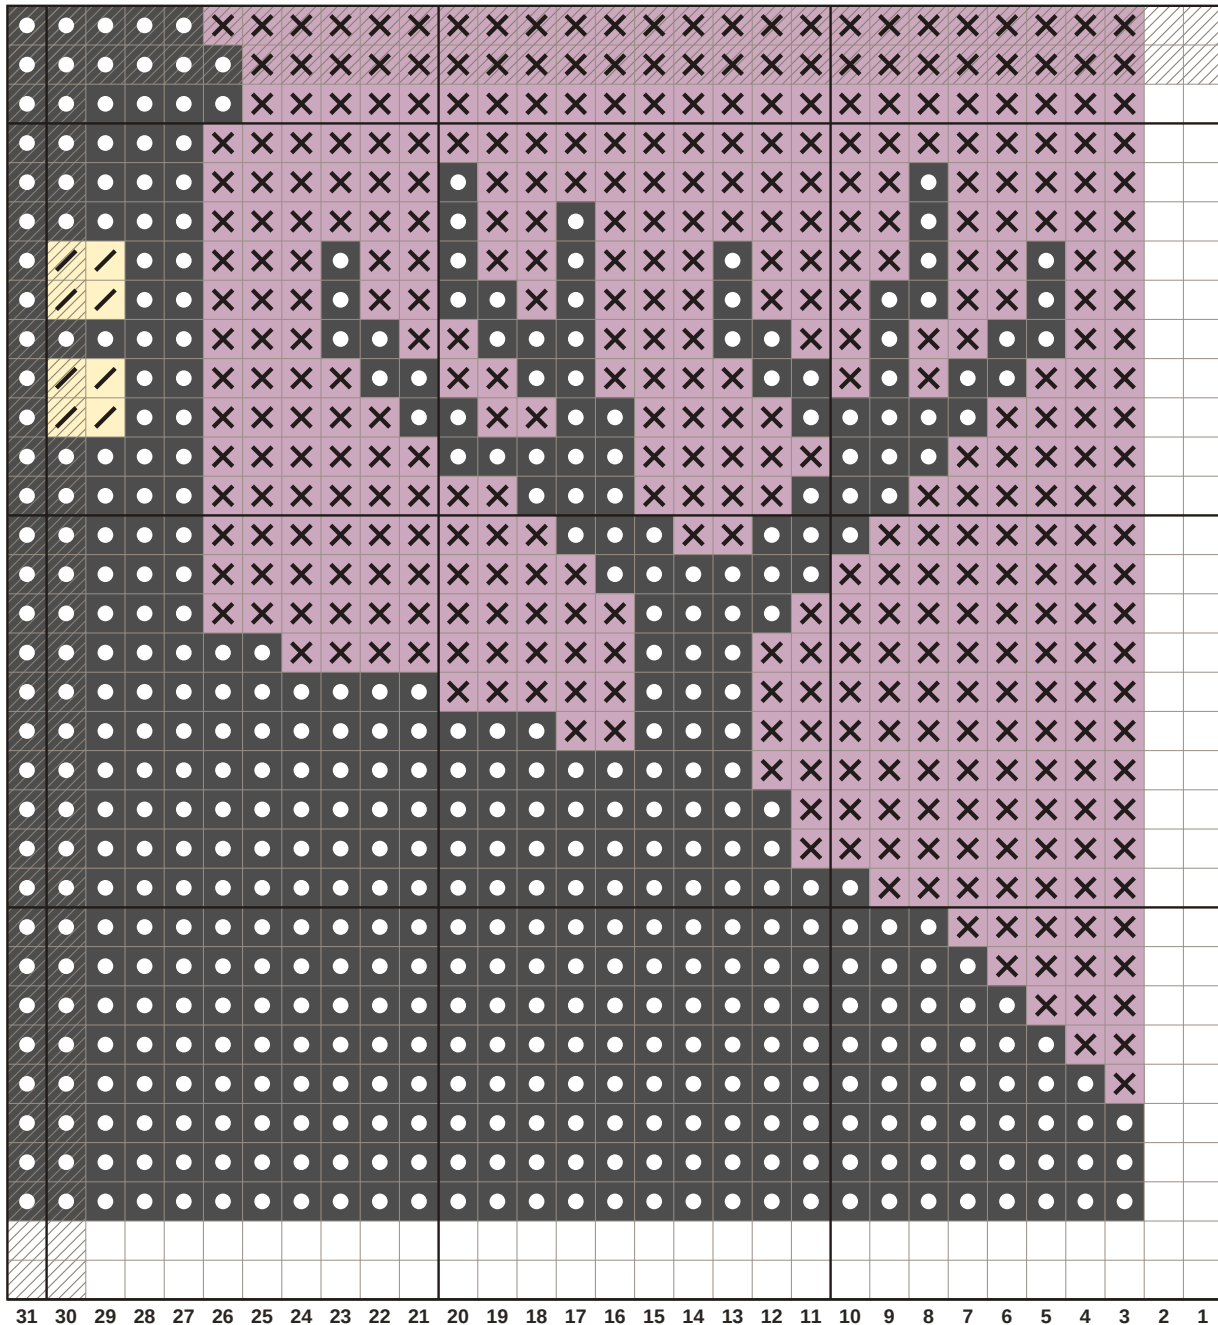

- Turn after every row. A row's label says how it is worked: increase, decrease or even.
- An increase row has one block more than the row before. It begins with a new block: ch 6, turn, dc in 4th ch from hook, dc in next 2 chs. It ends with a block in the last ch-3 sp.
- A decrease row has one block fewer than the row before. It begins with no new block: turn, sl st in each of the 3 dc of the last block made. It ends with a sl st in the last ch-3 sp.
- An even row has as many blocks as the row before: one edge of the graph is finished and the other still grows. Its label says how it begins. An even row that begins with a new block begins as an increase row does and ends with a sl st in the last ch-3 sp. An even row that begins with slip stitches begins as a decrease row does and ends with a block in the last ch-3 sp.
- Where a row begins with slip stitches, as every decrease row does, its first block is (sl st, ch 3, 3 dc) in the ch-3 sp of the block just slipped across.
- Every other block of a row is (sl st, ch 3, 3 dc) in the ch-3 sp of the next block of the row before.
- To change color, work the last yarn-over of the last dc of the block before in the new color, and make the next slip stitch with the new color.
- Nothing is carried from row to row. Each stretch of color has a small ball or bobbin of its own: 59 in all. Drop a yarn on the wrong side where its color ends and pick it up again on the next row.
- A star (\*) after a run: begin that run with a new ball, leaving a tail of about 6 in (15 cm). A run with no star goes on with the ball of its color left hanging from the row below; where that ball hangs a block or two away, lay the yarn along the row and work over it. If more than one ball of that color hangs within reach, take the nearest.
- A hash (#) after a run: its ball is not used again. When the run is worked, cut the yarn, leaving a tail of about 6 in (15 cm). A run with both marks (\*#) is worked from a new ball that is cut when the run is done.
- At most 14 balls hang from the work at one time: the row with the most color changes has 13.
- Left-handed. Work the same rows exactly as they are written. Expect your right side to be the face toward you in row 2 and in every even row: read RS as WS and WS as RS throughout, and drop yarns and weave in ends on the face toward you in the odd rows.

## Graph, sheet 1 of 4

61 squares wide and 65 tall. One square is 1 block of ch 3 and 3 double crochet, worked on the diagonal. Row 1 is the square in the bottom right corner, and each row after it is the next diagonal of the graph, as far as the top left corner. A row's number stands at its lower end: along the bottom edge, then up the left edge. Right-side rows are read down the diagonal to that end, wrong-side rows back up from it. This sheet: columns 1 to 31 counted from the right, lines of squares 1 to 33 counted from the bottom. Sheet 1 is the corner row 1 begins in. The numbers stand on the sheets that hold the graph's bottom edge or its left edge. The shaded squares are on the next sheet as well, beside this one or above it.

- A cream, no symbol, 488 squares
  B violet, cross, 1,838 squares
 ● C black, dot, 1,524 squares
  D yellow, slash, 115 squares

## Instructions

A row of the graph is written as its colors in the order you work them, each with its number of blocks: never read a row's list backwards. On the graph a right-side (RS) row runs down the diagonal and a wrong-side (WS) row up the diagonal. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms dc is treble and sl st is slip stitch.

|                                                                                                                                                                                                                                                                                                             |                                                                                  |             |

## Finishing

- Weave in every end along blocks of its own color.
- This pattern has no border: the size, the yarn amounts and the ends counted are for the blocks alone.

In all: 125 rows; 3,965 blocks; 667 color changes, at most 13 in a row; 59 small balls; 118 ends to weave in.
