Special stitches

FPdc (front post double crochet): Yarn over, insert the hook from front to back and to the front again around the post of the stitch named, and finish as a double crochet. The post stands out toward you. It leaves 1 front post double crochet for the next row.

BPdc (back post double crochet): Yarn over, insert the hook from back to front and to the back again around the post of the stitch named, and finish as a double crochet. The post stands away from you. It leaves 1 back post double crochet for the next row.

Gauge

13 stitches and 10 rounds to 4 in (10 cm) in half double crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower. The depths below are worked out from the rounds: to 4 in (10 cm) go 10 rounds of half double crochet or 7 rounds of double crochet or 7 rounds of post stitches. Post stitches often come out a little shorter than that, and then the hat is a little shallower than stated.

The pattern also stops you to measure after round 7.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 10, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 17¼ in (44 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms, the directions of the special stitches too; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.

- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.
- A post stitch goes around the post of the stitch straight below it in the round before, whatever kind of stitch that is; the line says whether it is a front post or a back post stitch.
- To change yarn at the start of a round, finish the joining slip stitch of the round before with the new yarn. Where a yarn rests for 4 rounds or fewer before it is used again, carry it up the inside; where it rests for more, or is not used again, cut it, leaving a tail of 6 in (15 cm).
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- Toddler: for a head of 18 in (46 cm). The finished hat is about 17¼ in (44 cm) round and about 7¼ in (18 cm) deep.

Instructions

Chosen: Toddler, head 18 in (46 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, hdc is half treble and dc is treble.

Yarns in order of use: A, bubblegum; B, mint; C, butter; D, lilac.

☐ **End**	Fasten off, leaving a tail of 6 in (15 cm).	

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. Pom-poms (make 2): wrap yarn D 110 times round a piece of card 2 in (5 cm) wide. Slide the wraps off, tie them very tightly round the middle with a strand 12 in (30 cm) long, leave its two ends long, cut the loops at both ends, shake the pom-pom out and trim the rest to a ball about 1¾ in (4 cm) across. Lay the hat flat with the line where its rounds are joined at the middle of the back: the fold on each side is then the side of the hat. With the two ends of its tie, through the hat and back, sew one pom-pom firmly to each side, on the fold, at round 7 of the crown, about 2¾ in (7 cm) from the center of the top, so that the two stand opposite each other like two ears.

Finishing

- Weave in every end on the inside of the hat.

In all: 17 rounds; 8 ends to weave in.
