Gauge

14 stitches and 15 rounds to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 5 the tube should measure about 10¼ in (26 cm) around, laid flat and not stretched, measured across and doubled.

Before you start

- Join the foundation chain into a ring with a slip stitch, and take care that it is not twisted. The chain of 1 at the start of round 1 does not count as a stitch. Work the first single crochet of round 1 into the first chain, the one that has the slip stitch in it, and one into every other chain; the slip stitch itself is not worked into.
- The rounds are not joined: work in a spiral, and move a marker up to the first stitch of each round.
- Tapestry crochet: where two or more colors share a round, lay the color or colors of that round not in use along the top of the round before and work over them, all the way round, so that they are carried inside the stitches.
- To change color, at the start of a round or inside it, draw the new yarn through as the last yarn over of the stitch before. Where two or more colors share a round, cut nothing at a change: the color you leave is carried. A color that is not used in the next round is cut at the end of the round, leaving a tail of 6 in (15 cm).
- Colors, round by round. Rounds 1 to 2: A. Rounds 3 to 10: A and B. Rounds 11 to 12: A. Round 13: C.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and sc is double crochet.

Yarns in order of use: A, rose pink; C, white.
