Special stitches

sc2tog (single crochet 2 together): Pull up a loop in each of the next 2 stitches, yarn over and pull through all 3 loops: 1 stitch decreased. It leaves 1 single crochet for the next row.

Gauge

13 stitches and 14 rounds to 4 in (10 cm) in single crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower.

The pattern also stops you to measure after round 16.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 24, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 21 in (53 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms, the directions of the special stitches too; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.
- The rounds of the hat that do not end with a join are worked in a spiral: do not join; put a marker in the first stitch of each round and move it up every round.
- The stem is begun with a magic ring like the hat and worked in a spiral: no chain at the start of a round and no slip stitch at its end; put a marker in the first stitch of each round and move it up every round. The right side faces you.

- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- Woman: for a head of 22 in (56 cm). The finished hat is about 21 in (53 cm) round and about 6¾ in (17 cm) deep from the center of the top to the edge of the band; the crown spreads to about 9¼ in (23 cm) across.

Instructions

Chosen: Woman, head 22 in (56 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and sc is double crochet.

> **Stop and measure now, after round 24.** After round 24, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 21 in (53 cm) round.

☐ **End**	Fasten off, leaving a tail of 6 in (15 cm).	

Stem

☐ **Foundation**	Make a magic ring.	
☐ **Rnd 1 (RS)**	6 sc in MR	**(6 sc)**

☐ **End**	Slip stitch in the next stitch. Fasten off, leaving a tail of 10 in (25 cm) for sewing.	

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. Stuff the stem lightly with a few short scraps of the same yarn. With the long tail at its end sew the open edge of the stem to the center of the top.

Finishing

- Weave in every end on the inside of the hat.

In all: 2 pieces; 1,446 stitches (1,428 in the hat, 18 in the stem); 4 ends to weave in.
