What you need

Yarn: any one color (warm oatmeal in the picture), medium (4) **about 1,350 yd (1,234 m), an estimate**
By weight: about 680 g, an estimate, where 100 g is 200 yd (183 m).

Hook: 5.5 mm (US I-9), or the size that gives you the gauge. Also: yarn needle, scissors, tape measure, stitch markers, 3 buttons, ¾ in (20 mm) across and sewing thread and a sewing needle.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge.

Gauge

13 stitches and 8 rows to 4 in (10 cm) in waffle stitch.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 20. Row 1 (RS): Dc in 3rd ch from hook and in each ch across. Row 2: Ch 2, turn; dc in each st across. Row 3: Ch 2, turn; dc in first st, [fpdc around next st, dc in next 2 sts] 5 times, fpdc around next st, dc in last st. Row 4: Ch 2, turn; dc in first st, dc in next st, [fpdc around next 2 sts, dc in next st] 5 times, dc in last st. Rows 5 to 12: Repeat Rows 3 and 4, 4 more times. The swatch of 12 rows is about 5½ in (14 cm) wide and 6 in (15 cm) high. Measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. The gauge of the waffle stitch holds for the plain double crochet at the edges too. Ribs: worked sideways, 14 rows and 13 sts to 4 in (10 cm), so a rib of 8 sts is about 2½ in (6.5 cm) deep. Single crochet rows of the bands: about 15 rows to 4 in (10 cm), so 6 rows are about 1 5/8 in (4.1 cm).

Notes

- The finished chest is from 4½ in (11.5 cm) to 5¼ in (13.5 cm) wider than the body measurement, by the size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The turning chain (ch 1 for single crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- Odd-numbered rows are right side rows on the back, the front, the sleeves and the neckband. Mark the right side of each piece with a stitch marker or a scrap of yarn.
- A row that begins with ch 2 and a dc2tog: the first leg of the dc2tog goes in the first st, at the base of the ch 2.
- Waffle stitch: on right side rows every third st is an fpdc and the sts between are dc; on wrong side rows the fpdc of the row below are worked into as dc, and the dc between them get an fpdc around each. The two sts at each edge are always plain, in dc. The words of each row say how many sts come before the first fpdc.
- A decrease counts as one stitch.
- In the neckband the last row is worked with fpdc and bpdc in turn around the dc of row 2.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- To work into a chain space, insert the hook under the whole chain.
- Left and right are those of the person who wears the sweater.
- The ribs are worked sideways in single crochet in the back loop (UK: double crochet). The pieces are worked up from a long edge of a rib. The rib draws in: it is a little narrower than the piece above it.
- Sew with the yarn needle and the same yarn: for each seam cut a length about three times as long as the seam.
- In back loop only: insert the hook under the loop of the stitch that is farther from you, and leave the nearer loop free.

Instructions

M, to fit chest 39 in (99 cm). US terms.

ch chain, **sc** single crochet (UK double crochet), **dc** double crochet (UK treble), **st** stitch, **sp** space.
RS right side, the one that shows.
ch-2 sp: the gap under two chains; the hook goes in the gap.
[ ] 23 times: work what is inside 23 times in all.
(8 sc): the stitches you have when the row is done. **How to read a pattern**.

Special stitches

dc2tog (double crochet 2 stitches together (UK treble 2 together)): [yarn over, insert the hook in the next stitch and pull up a loop, yarn over and pull through 2 loops] twice (3 loops on the hook); yarn over and pull through all 3 loops.

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post.

Assembly

1. Raglan seams: with right sides together, lay a raglan edge of a sleeve against a raglan edge of the front and sew them together: the 4 sts left at the underarm of the one to the 4 sts of the other, then the 20 row ends of the one to the 20 row ends of the other, row for row, up to the neck. Sew the other raglan edge of the sleeve to the back in the same way, and set in the second sleeve on the other side.

2. Sides and sleeves: fold the sweater at the shoulders, right sides together. Sew each sleeve seam from the cuff edge to the underarm and go on down the side seam to the lower edge. At the two ribs the edges are the foundation chain and the last row of a rib: sew them stitch to stitch, 8 at the cuff and 8 at the hem. Between the ribs sew row end to row end.

3. Neckband: work it now, as written above.

4. Bands: work the button band and the buttonhole band, as written above.

5. Placket: the button band, on the right front, lies underneath. Sew the 6 row ends at its lower end to the 5 unworked sts of row 31 of the front, on the wrong side of the front. Lay the buttonhole band, on the left front, over it, and sew its 6 lower row ends to the same 5 sts on the right side of the front. Use the end of the button band for the first, and a new piece of yarn, about 12 in (30 cm) long, for the second.

6. Buttons: mark the place under the middle of each of the 3 buttonholes on the button band, and sew the buttons there with the sewing thread.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

In all: 4 pieces.
