Gauge

16 stitches and 18 rounds to 4 in (10 cm) in single crochet.

16 stitches and 18 rounds to 4 in (10 cm) in single crochet. After the last round of the sole, the sole is about 4½ in (11.5 cm) long and about 1¾ in (4.5 cm) wide.

Before you start

- Measure the foot from the back of the heel to the tip of the longest toe and choose the size with the nearest foot length.
- The pattern makes a pair. The foot length is the length of the foot; the finished sole is about as long.
- The piece is worked from the sole up in one spiral: the rounds are not joined. Put a marker in the first stitch of each round and move it up every round.
- The right side always faces you and the work is not turned, except where a line says so.
- To change color, work the last stitch before the change until its last loops are on the hook, then draw the new color through them. A color that rests for 4 rounds or fewer can wait on the inside and be drawn up again; cut one that rests longer, leaving a tail of 6 in (15 cm).
- The figures in brackets at the end of a line are the stitches it has.

Instructions

Chosen: 6 to 12 months, foot 4½ in (11.5 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and sc is double crochet.

Finishing

- The middle of the toe is the middle dc2tog of a round, or the line between its two middle ones. Lace each piece with the hook. The lace goes behind the post of the 3rd stitch on each side of the middle of the toe (do not count a middle dc2tog) in Rnds 8, 10 and 11. Lay the middle of the lace across the front at Rnd 8 and take each end behind the post on its own side: in at the side of the post nearer the middle, out at the other side. Cross the ends over the front and take each behind the post on the other side in Rnd 10 in the same way; cross them again and do the same in Rnd 11. Tie the ends in a bow at the middle.
- Make the second piece the same; left and right are alike.
- Weave in every tail on the inside.

In all: 4 pieces; 1,236 stitches (508 in each sneaker, 110 in each lace); 8 ends to weave in.
