You will need

Yarn A: pine, stripes	**about 900 yd (823 m), an estimate**
Yarn B: sage, stripes	**about 825 yd (754 m), an estimate**
Yarn C: cream, stripes	**about 875 yd (800 m), an estimate**
Yarn D: cranberry, stripes	**about 275 yd (251 m), an estimate**

Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: work the test piece and measure it, mark the yarn where it begins and ends, pull it out and measure the yarn it took; divide by the area of the piece and multiply by the area of the blanket. That is the yarn of the stitches, all the colors together: add 6 in (15 cm) for each end to weave in, and some to spare.

Gauge

13 stitches and 17½ rows to 4 in (10 cm) in moss stitch. Along a row, count every stitch and every chain between stitches as one.

13 stitches and 17.5 rows to 4 in (10 cm) over moss stitch, each sc and each ch 1 counted as one stitch

The pattern also stops you to measure after row 12.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Make the test piece first, in A alone: 26 rows, about 6.8 in (17.3 cm) wide and 5.9 in (15 cm) tall.

For another width, add or take away 2 chains at a time: each 2 chains adds one more repeat. Measure your own gauge first. The counts of the border change with it: between the corners, one stitch in every stitch and ch-1 sp of the last row and in every chain of the foundation.

Before you start

- The three chains skipped at the start of row 1 make the first turning ch sp, which row 2 works into.
- The ch 2 at the start of a row does not count as a stitch. It makes the turning ch sp, and the last stitch of the next row is worked into that space.
- The counts give the sc and the spaces apart; the number of stitches in all counts the sc alone.
- A stitch worked into a chain space passes over any stitches that lie before the space; they are left unworked.
- Row 1 is the right side.
- Where a row begins "With" a yarn, change to that yarn in the last yarn over of the last stitch of the row before, so that the turning chain and the whole row are in the new yarn.
- Cut each yarn at the end of its band, leaving a tail of about 6 in (15 cm), and join the next with a tail of the same length.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others.

- The border is worked in the round with the right side facing, three single crochets in every corner. Do not turn between rounds. The ch 1 at the start of a round does not count as a stitch. Join every yarn of the border with a tail of about 6 in (15 cm). From round 2 on, the "first st" is the first sc of the round before.
- Along the foundation, for the border, work one stitch in each chain, whether row 1 used it or not. The "first ch" is the one under the last stitch of row 1, the "last ch" the one under its first stitch.
- Where a border round begins by joining another yarn, first fasten off the yarn of the round before, leaving a 6 in (15 cm) tail.
- This size has 126 ends to weave in.
- The last row, row 268, is a wrong side row: when it is fastened off, turn the piece, so that the right side faces you for the border. The border's "first st" is then the sc made last in row 268, at its right-hand end; along the row a ch-1 sp and a sc go by turns, and the turning ch sp that began the row is the left-hand end.

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch and sc is double crochet.

Finishing

- Weave in the ends: each end into stitches of its own color, on the wrong side, turning back once.
- Lay the blanket flat, pat it square and let it rest; a light steam held above it, or a damp cloth left to dry on it, settles the rows.

In all: 2 pieces; 22,906 stitches (21,440 in the blanket, 1,466 in the border); 126 ends to weave in.
