RS	right side

Gauge

20 stitches and 22 rounds to 4 in (10 cm) in single crochet, in a spiral.

20 sc and 22 rounds = 4 in (10 cm), worked in a spiral. To check it, work a flat circle: 6 sc in a magic ring, then 6 more sc in each round (12, 18, 24, 30, 36). After round 6 it should measure about 2¼ in (5.5 cm) across. The stitches should be tight enough that the stuffing does not show.

Before you start

- Every piece is worked in a continuous spiral with the right side facing you: do not join and do not turn. Put the marker in the first stitch of each round and move it up.
- Square brackets hold a repeat; work it as many times as the line says. The number in parentheses is the count at the end of the round.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop and pull the tail to close it. Or chain 2 and work round 1 into the first chain.
- Center line: places on a piece are given by round and by stitches from a center line. It is half way round from where the rounds begin. Mark it with a pin or a scrap of yarn as listed here, run it straight from round 1 to the last round by eye, and count out from it along the round, in stitches and half stitches.
- Head: the center line runs between stitches 27 and 28 of round 11 (54 sts). It faces the front, round 1 at the top.
- Body: the center line runs between stitches 18 and 19 of round 6 (36 sts). It faces the front.
- Right and left are as you look at the front of the toy. Rounds are counted from the start of each piece.
- To work sc2tog, put the hook under the front loop only of each of the next 2 stitches, yarn over, pull through both loops, yarn over, pull through 2 loops.
- Eyes: for a child under three, or a pet, embroider the eyes instead of plastic ones: satin stitch dots of the same size in C (dark brown).
- The rounds and stitches are the same for every size; the yarn and the hook make the difference. Lengths in the words (tails, ovals, details) are for Standard: for another size multiply them by the number in its line.
- Small: fine (2, sport) yarn, 2.25 mm (B-1) hook, 27 sc and 30 rounds to 4 in (10 cm): about 3¾ in (9.5 cm) tall; eyes 7 mm; multiply lengths by 0.74; about 0.74 times the yarn.
- Large: bulky (5, chunky) yarn, 5 mm (H-8) hook, 14 sc and 15.4 rounds to 4 in (10 cm): about 7¼ in (18.5 cm) tall; eyes 14 mm; multiply lengths by 1.4; about 1.4 times the yarn.
- Jumbo: super bulky (6, plush or velvet) yarn, 6.5 mm (K-10½) hook, 11 sc and 12.1 rounds to 4 in (10 cm): about 9 in (23 cm) tall; eyes 18 mm; multiply lengths by 1.8; about 1.8 times the yarn.
- Every size is approximate and follows from your gauge and how firmly you stuff.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet and sc2tog is double crochet 2 stitches together.

Assembly

Head: 1 muzzle, 2 ears, 3 eyes, 4 cheeks

Body: 1 tummy patch, 2 arms, 3 legs

Each line is a round, counted as the rounds are worked. The upright broken line is the center line. A place with a broken edge is on the far side.

1. In every step: where a piece meets or overlaps another, sew through both. Where no tail is left or a tail is too short, sew with a new length of the yarn of the piece you are putting on. Set the head on the open edge of the body (24 sts), center lines in line: the edge lies on round 23 of the head (24 sts). Sew every stitch of the edge to the head, and top up the stuffing in the neck before the last stitches so that the head does not wobble.

2. Pin the muzzle to the head: the middle of the open edge lies on round 17, on the center line. The edge (21 sts) covers about rounds 14 to 20 of the head. It points forward. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

3. Pin the two ears to the head: the middle of each flat edge lies on round 6, one to each side, 9 stitches from the center line (18 stitches apart). The flat edge slants: its end nearer the center line is on about round 3, its other end on about round 9. They point up and out to the side. Sew through both layers of the 7½-stitch edge with the tail.

4. Lay the tummy patch flat on the body, right side out, the middle of it on round 10, on the center line. Sew down all 24 stitches of the edge.

5. Pin the two arms to the body: the middle of each open edge lies on round 14, one to each side, 6 stitches from the center line (12 stitches apart). The edge (12 sts) covers about rounds 12 to 16 of the body. They point out to the side and down, then curve forward. Bend each as you pin it and hold the curve with a few running stitches along its inner side, drawn up a little. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

6. Pin the two legs to the body: the middle of each open edge lies on round 5, one to each side, 4½ stitches from the center line (9 stitches apart). The edge (15 sts) covers about rounds 3 to 7 of the body. They point forward and out to the side from under the front edge of the body, lying along the table. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

Finishing

- Put in the plastic eyes when the words of a piece say so. Embroider with one strand of yarn and the yarn needle when the pieces round the place are sewn on; begin and end each strand inside the toy. Satin stitch is straight stitches side by side until the shape is filled.
- Eyes: two 10 mm black plastic eyes, on the head between rounds 14 and 15, one to each side, 5½ stitches from the center line (11 stitches apart).
- Cheeks: with D (dusty pink), in satin stitch, an oval about 5/16 in (8 mm) wide and 3/16 in (5 mm) tall, its middle on the head on round 18, one to each side, 8 stitches from the center line (16 stitches apart).
- Nose: with C (dark brown), in satin stitch, a triangle with its point down about 3/8 in (10 mm) wide and 3/16 in (5 mm) tall, its middle on the muzzle, centered, 3/8 in (10 mm) above the middle of the muzzle.
- Mouth: with C (dark brown), in backstitch, a straight line down, 1/8 in (3 mm) long, and from its lower end two small smile curves side by side, one to each side, about ½ in (13 mm) wide and ¼ in (6 mm) tall in all, starting at the bottom of the nose.
- Weave every tail through the toy and trim it. For a toy that will be played with, go round each seam a second time with a new length of yarn. Check the seams and small parts from time to time.

In all: 10 pieces; 2,154 stitches (948 in the head, 468 in the body, 48 in each ear, 78 in the muzzle, 135 in each arm, 117 in each leg, 60 in the tummy patch); 20 ends to weave in.
