Wattle stitch throw

Standard · US terms

Finished size
About 50¼ × 60¼ in (128 × 153 cm)

Skill
Easy
Groups in one place, skipped stitches, chain spaces

What you need
Medium (4) yarn, any color: about 2,725 yd (2,492 m), an estimate
By weight: about 1,350 g, an estimate, where 100 g is 200 yd (183 m).

Hook: **5.5 mm (US I-9)**

Yarn needle, scissors and tape measure

Gauge

13 stitches and 12½ rows to 4 in (10 cm) in wattle stitch. Along a row, count every stitch and every chain between stitches as one.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

To count your gauge in the middle of the test piece: four repeats of the bracketed group side by side (12 foundation chains' worth) are about 3¾ in (9.5 cm) wide, and 13 rows are about 4¼ in (10.5 cm) tall.

The pattern also stops you to measure after row 10.

> **The swatch.** Work the test piece first. This piece is wide, and starting again after the first place to stop means working its first rows a second time. A test piece to measure and pull out. It is not the start of the pattern. Gauge is counted over 4 in (10 cm), so make the swatch bigger than that: about 6 in (15 cm) each way, and count in the middle of it.
>
> | | |
> |---|---|
> | **Swatch foundation** | Ch 20. |
> | **Swatch row 1 (RS)** | (sc, ch 1, dc) in 3rd ch from hook, **[**sk next 2 chs, (sc, ch 1, dc) in next ch**] 5 times**, sk next ch, sc in next ch (7 sc, 6 dc, 6 ch-1 sps) |
> | **Swatch rows 2 to 19** | Ch 1, turn; **[**(sc, ch 1, dc) in next ch-1 sp**] 6 times**, sc in last st (7 sc, 6 dc, 6 ch-1 sps) |

For another width, add or take away 3 chains at a time: each 3 chains adds one more repeat of each bracketed group. Measure your own gauge first.

Instructions

Standard. US terms.

sc single crochet (UK dc), **ch** chain, **dc** double crochet (UK tr), **sk** skip, **st** stitch.

ch-1 sp: the hole under the chain. The hook goes in the hole, never into a chain.

The ch 1 is not a stitch. Work in the **very first stitch**.

[ ] 53 times: 53 times in all. ( ) in one place: all of it there. (55 sc, 54 dc, 54 ch-1 sps): the row now has that many; a check, not a step.

Also: sp space.

Every stitch, drawn: flossfield.com/crochet/stitches.

☐ **Start**	Make a slip knot, leaving a tail of about 6 in (15 cm). Ch 164.	
☐ **Row 1**	(sc, ch 1, dc) in 3rd ch from hook, **[**sk next 2 chs, (sc, ch 1, dc) in next ch**] 53 times**, sk next ch, sc in next ch	(55 sc, 54 dc, 54 ch-1 sps)
☐ **Rows 2 to 10**	Ch 1, turn; **[**(sc, ch 1, dc) in next ch-1 sp**] 54 times**, sc in last st	(55 sc, 54 dc, 54 ch-1 sps)

The heavy box is where you stop and measure.

2 3 4 5 6 7 8 9 **10**

> **Stop and measure now, after row 10.** Width, across the middle of the rows and not along the chain edge: about 50¼ in (128 cm). If it is wider, start again with a smaller hook; if it is narrower, with a larger one. If only the chain edge is tight, make the chain with a larger hook.

☐ **Rows 11 to 188**	Ch 1, turn; **[**(sc, ch 1, dc) in next ch-1 sp**] 54 times**, sc in last st *Repeat until the piece measures about 60¼ in (153 cm): at our gauge that is row 188. Go by the tape measure, not the count.*	(55 sc, 54 dc, 54 ch-1 sps)

179 180 181 182 183 184 185 186 187 188

☐	Fasten off, leaving a 6 in (15 cm) tail.	

Finishing

- Weave in the ends.
- This pattern has no border, and every size given here is without one.

In all: 188 rows; 20,492 stitches; 2 ends to weave in.

Also makes: wattle stitch scarf and wattle stitch baby blanket, from the same stitch pattern. See the pattern's page at flossfield.com/crochet/patterns/wattle-stitch-throw/.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the size of the blanket, at 0.9 yd of yarn for each square inch. A fabric with open spaces may take less. To measure your own: work the swatch and measure it, mark the yarn where the swatch begins and ends, pull the swatch out and measure the yarn it took; divide by the area of the swatch and multiply by the area of the piece.

Notes

- The ch 1 at the start of a row does not count as a stitch.
- Row 1 is the right side.
- A stitch worked into a chain space passes over any stitches that lie before the space; they are left unworked.
- Stitches in parentheses, or several of one stitch, are all worked into the one place named after them.
- The number of rows is our estimate: yours may differ, and the length does not change the stitch count.
- The two chains skipped at the start of row 1 are not worked into; the first of them stays as a small loop at that corner, where every later row has its turning chain.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others.
- One yarn is used throughout: a variegated, self-striping or cake yarn of the same weight and length can take its place, and its colors fall where the yarn has them.
