

Iris stitch throw

US terms

Finished size

About 54½ × 66 in (138 × 168 cm)

Skill

Easy

Groups in one place, skipped stitches, chain spaces

Yarn

Medium (4)

Hook

5.5 mm (US I-9)

Gauge

13 stitches and 7½ rows to 4 in (10 cm)

In iris stitch.

You will need

Yarn: any color, medium (4)

about 3,250 yd (2,972 m), an estimate

Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the size of the blanket, at 0.9 yd of yarn for each square inch. A fabric with open spaces may take less. To measure your own: work the swatch and measure it, mark the yarn where the swatch begins and ends, pull the swatch out and measure the yarn it took; divide by the area of the swatch and multiply by the area of the piece.

Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

ch	chain stitch
dc	double crochet (UK tr, treble)
RS	right side
sk	skip
sp	space
st	stitch

Special stitches

sh (Shell): (2 dc, ch 1, 2 dc) in the same st or sp. It leaves 2 dc, 1 ch-1 sp and 2 dc for the next row.

Gauge

13 stitches and 7½ rows to 4 in (10 cm) in iris stitch. Along a row, count the stitches only, not the chains between them.

To count your gauge in the middle of the test piece: three repeats of the bracketed group side by side (12 foundation chains' worth) are about 3.7 in (9.4 cm) wide, and 8 rows are about 4.3 in (10.8 cm) tall.

The pattern also stops you to measure after row 6.

The swatch. Work the test piece first. This piece is wide, and starting again after the first place to stop means working its first rows a second time. A test piece to measure and pull out. It is not the start of the pattern. Gauge is counted over 4 in (10 cm), so make the swatch bigger than that: about 6 in (15 cm) each way, and count in the middle of it.

Swatch foundation	Ch 23.
Swatch row 1 (RS)	Sh in 5th ch from hook (skipped chs count as dc), [sk next 3 chs, sh in next ch] 4 times , sk next ch, dc in next ch (2 dc, 5 sh)
Swatch rows 2 to 11	Ch 3 (counts as dc), turn; [sh in next ch-1 sp] 5 times , sk next 2 sts, dc in top of turning ch (2 dc, 5 sh)

For another width, add or take away 4 chains at a time: each 4 chains adds one more repeat of each bracketed group. Measure your own gauge first.

Before you start

- The ch 3 at the start of a row counts as a dc. The last stitch of the next row is worked into the top of it.
- Row 1 is the right side.
- A stitch worked into a chain space passes over any stitches that lie before the space; they are left unworked.
- Stitches in parentheses, or several of one stitch, are all worked into the one place named after them.
- The number of rows is our estimate: yours may differ, and the length does not change the stitch count.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others.

Instructions

Square brackets [] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms dc is treble.

- ☐ **Foundation**Ch 179.
- ☐ **Row 1 (RS)**Sh in 5th ch from hook (skipped chs count as dc),
[sk next 3 chs, sh in next ch] **43 times**, sk next ch, dc in next ch
(2 dc, 44 sh)
- ☐ **Rows 2 to 124**Ch 3 (counts as dc), turn; [sh in next ch-1 sp] **44 times**, sk next 2 sts, dc in top of turning ch
(2 dc, 44 sh)
Repeat until the piece measures about 66 in (168 cm): at our gauge that is row 124. Go by the tape measure, not the count.

A box for each row, 2 to 124: tick them off as you go. The heavy box is where you stop and measure.

118	119	120	121	122	123	124																						

Stop and measure when you have worked row 6. Width, across the middle of the rows and not along the chain edge: about 54½ in (138 cm). If it is wider, start again with a smaller hook; if it is narrower, with a larger one. If only the chain edge is tight, make the chain with a larger hook.

- ☐ **End**Fasten off, leaving a 6 in (15 cm) tail.

Finishing

- Weave in the ends.
- This pattern has no border, and every size given here is without one.

In all: 124 rows; 2 ends to weave in.
