What you need

Yarn A: dove gray, stole	**about 625 yd (572 m), an estimate**
Yarn B: pale mauve, first fans	**about 20 yd (18 m), an estimate**
Yarn C: mauve, second fans	**about 30 yd (27 m), an estimate**
Yarn D: deep mauve, third fans	**about 40 yd (37 m), an estimate**
Yarn E: silver, picot rows and edge	**about 70 yd (64 m), an estimate**

By weight: about 220 g in all, an estimate, where 100 g is 350 yd (320 m).

Hook: 4.5 mm (US 7). Also: yarn needle, scissors, tape measure and rustproof pins.

Before you start

- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.

Gauge

17 stitches and 9 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 4 the piece, laid flat, is about 1¾ in (4.5 cm) from the chain to the last row. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another width begin with a multiple of 8 chains plus 5: each 8 chains more or fewer are one fan, about 1 7/8 in (5 cm), and the repeat of every row is worked once more or once less. The second half is worked into 4 chains fewer than you began with, because the first 4 stand up at the edge of row 1. For another length work one block of the panel more or fewer in each half, a block being the 12 rows of V-stitches and fans and the silver row after them; a block in each half is about 11¼ in (28.5 cm) of the whole length. The end follows straight after the last row of fans, without a silver row between. A larger stole takes more yarn.

Instructions

Regular. US terms.

dc double crochet (UK tr), **ch** chain, **sc** single crochet (UK dc), **tr** treble crochet (UK dtr), **dtr** double treble crochet (UK trtr), **sl st** slip stitch, **sk** skip, **st** stitch.

ch-1 sp: the hole under the chain. The hook goes in the hole, never into a chain.

The ch 3 is the first dc: skip the first stitch; the last dc goes in the **top of the 3 chains**.

[ ] 8 times: 8 times in all. ( ) in one place: all of it there. (28 dc, 9 ch-3 sps, 18 ch-1 sps): the row now has that many; a check, not a step. **How to read a pattern**

Also: RS right side, WS wrong side, sp space.

Every stitch, drawn: flossfield.com/crochet/stitches.

Special stitches

picot: Ch 3, sl st in 3rd ch from hook. Nothing is worked into the picot, and it uses no stitch of the row below.

Finishing

- Weave in the ends.
- To open the lace, wet the stole, press the water out in a towel, lay it flat, right side up, and pin it out to the measures above, the two long edges straight and a pin in the middle picot of every fan of the ends. Leave it until it is dry.

In all: 2 pieces; 6,086 stitches (3,043 in the first half, 3,043 in the second half).

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Notes

- A V-stitch is (dc, ch 3, dc) in one place. A fan of the panel is 5 dc with a ch 1 between two of them, all in the ch-3 sp of a V-stitch. Between two columns stands one dc, the post, worked in every row into the post below.
- In a row of V-stitches the V-stitch goes into the middle dc of the fan, the third of its five: "sk next 2 sts, sk next ch-1 sp" passes over the first two dc of the fan and the ch-1 sp after each of them, and the "sk next 2 sts" after the V-stitch passes over its last two dc and the ch-1 sp before each. In the row after a silver row it goes into the sc of that row. In a row of fans the ch-1 sp on each side of a V-stitch and the dc of the V-stitch are passed over.
- In row 1 of the first half the first V-stitch is in the 9th ch from the hook. Of the 8 chs skipped before it the first is a ch-1 sp, the next 3 are a dc, the edge of the piece, and the other 4 are the foot of this dc and 3 chs passed over. In row 2 the last dc goes into the 2nd ch from the hook of the foundation, which is the top of this dc.
- Where the second half begins: turn the first half so that its foundation chain is at the top and the right side is toward you. The first chain is the one at the right hand end (at the left hand end if you are left handed): the last dc of row 1 stands in it. The V-stitches and the posts of the second half stand in the same chains as those of the first half.
- In the first silver row of an end each ch 10 passes over a fan and the sc goes into the post. In the second the ch 10 passes over 4 dc, an sc and 4 dc, and each sc goes into the 5th dc, the middle one, of a fan. In the third it passes over 5 tr, an sc and 5 tr, and each sc goes into the 6th tr, the middle one. In the silver edge "sk next st" passes over the sc between two fans.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- Buy whole balls from one dye lot.
- About 61½ in (156 cm) long with both fan ends and about 16 7/8 in (43 cm) wide, pinned out to dry. Each half is about 27 7/8 in (71 cm) from the chain in the middle to the first silver row of the end, and the end about 2 7/8 in (7.5 cm) deep. A row of the panel is about 3/8 in (1 cm) high and a silver row in it about ¼ in (1 cm).
- Both halves are worked alike, 71 rows each. Rows 1 to 64 are the panel: rows of V-stitches and rows of fans by turns with yarn A (dove gray), and with yarn E (silver) a row of picots after every 12 of them, rows 13, 26, 39, 52. The end: row 65 silver loops, row 66 fans in yarn B (pale mauve), row 67 silver loops, row 68 fans in yarn C (mauve), row 69 silver loops, row 70 fans in yarn D (deep mauve), row 71 the silver edge.
- There are 9 fans across the panel and across the pale and the deep mauve rows. The mauve row between them has 8 whole fans, each between two of the fans below, and half a fan at each edge.
