What you need

Yarn: any one color (dusty rose in the picture), light (3) **about 190 yd (174 m), an estimate**

By weight: about 75 g, an estimate, where 100 g is 250 yd (229 m).

Hook: 4 mm (US G-6), or the size that gives you the gauge. Also: one round pearl button with a shank, ¾ in (20 mm) across, and sewing thread of its color with a needle, a yarn needle, scissors and a tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 15 percent added.

Sizes

Size	Finished size, about	Yarn, an estimate
Girl	32¼ in (82 cm) long, 3¾ in (9.5 cm) deep	about 120 yd (110 m)
Adult (this file)	**38 in (96 cm) long, 5 in (13 cm) deep**	**about 190 yd (174 m)**

Gauge

17 stitches and 12½ rows to 4 in (10 cm) in fan lace.

Check it on the scarf itself, laid flat and not stretched, when 7 rows are done: 5 fans of row 6 are about 9 3/8 in (24 cm) wide, and rows 2 to 7 are about 1 7/8 in (4.8 cm) deep. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

Notes

- The ch 1 at the start of a row does not count as a stitch. The ch 3 counts as a dc, and stands over the first st: the 2 dc that follow go into that first st too.

- A fan is (3 dc, ch 2, 3 dc), all worked into one sc. From row 3 every fan goes into an sc of the row below, and every sc into the ch-2 space of a fan below (only the sc at the two ends of an even-numbered row stand on the half fans), so that the fans of each row stand between those of the row before. The odd-numbered rows from row 3 begin and end with half a fan.
- Before an sc in a ch-2 space the 3 dc of that side of the fan are passed over; the 3 dc on its other side are skipped as the row says.
- Stitches in parentheses are all worked into the one place named after them.
- For a child, sew the button on firmly and take the scarf off for sleep.
- Leave a tail of about 6 in (15 cm) when you begin, when you join a yarn and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- When a ball runs out, join the next at the end of a row: work the last yarn over of the last stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both.
- To join a yarn with a sl st, make a slip knot of it on the hook, put the hook in the place named, yo, and pull through the place and the loop on the hook.

Assembly

1. Weave in both ends. Dampen the scarf, lay it out flat with the points of the lower edge drawn out, and let it dry.

2. Lay the scarf right side up (the side that faced you as you worked row 1) with the foundation chain, the neck edge, at the top.

3. Button loop: count 48 stitches along row 1 from the left-hand end. Join A with a sl st in the foundation chain that holds the 48th stitch, ch 9, and sl st in the next chain to the right, the one that holds the stitch beside it. Fasten off and weave in the ends. The loop stands out from the neck edge.

4. Button: count 48 stitches along row 1 from the right-hand end. With sewing thread, sew the button to the right side of the 48th stitch. Go through it at least six times and fasten the thread on the wrong side.

5. To wear it, put it round the neck with the neck edge up and the right side out, cross the end with the loop over the end with the button, and slip the loop over the button. The two ends hang below the button.

Finishing

- Weave in the ends with the yarn needle, changing direction once or twice.

In all: 16 rows.
