In half double crochet with one yarn carried inside.

You will need

Yarn A: white, stripes	**about 525 yd (480 m), an estimate**
Yarn B: lavender, stripes	**about 925 yd (846 m), an estimate**
Yarn C: violet, stripes	**about 425 yd (389 m), an estimate**

Hook: 4.5 mm (US 7). Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Yarns A and B: the estimate is from the stitches and chains of this size at this gauge, with 30 percent added. Yarn C: the estimate is from the stitches of this size at this gauge, with 30 percent added. To measure your own: work the test piece and measure it, pull it out and measure the yarn it took, both colors added together; divide by the area of the test piece and multiply by the area of the blanket. That is the yarn of the stitches, all the colors together: add 6 in (15 cm) for each end to weave in, and some to spare.

Gauge

16 stitches and 13½ rows to 4 in (10 cm) in half double crochet with one yarn carried inside. Along a row, count every stitch and every chain between stitches as one.

The pattern also stops you to measure after row 5.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Make the test piece first, in A and B: three checks wide, about 4.5 in (11.4 cm), and 10 rows, about 3 in (7.6 cm).

> | **Swatch foundation** | With A, ch 20. | |
> | **Swatch row 1 (RS)** | Hdc in 3rd ch from hook, hdc in next 5 chs, with B, hdc in next 6 chs, with A, hdc in next 6 chs | **(18 hdc)** |

For another width, add or take away 12 chains at a time: each 12 chains adds two checks. Measure your own gauge first. The counts of the border change with it: between the corners, one stitch in every stitch of the last row and in every chain of the foundation.

Before you start

- The ch 2 at the start of a row does not count as a stitch: the first stitch of the row goes into the very st it rises from.
- Row 1 is the right side.
- To change color inside a row, work the last stitch of the old color until three loops are on the hook, and make its last yarn over with the new color.
- Every row uses two colors, and both run from edge to edge: lay the color not in use along the top of the row below (in row 1, along the foundation chain) and work over it, so that it lies hidden inside the stitches and is at the edge when the row ends. A color that is new in a row of checks is laid in at the edge, under the first stitches of its first row.
- At the end of a row of checks, cut a color that the next row of checks does not use. A color that both use is never cut: carry it on into the next row of checks. After the last row cut both.
- Change to the color a row begins with in the last yarn over of the row before; if it is new there, join it in that yarn over.
- Every row begins and ends with the same color, so each row of checks reads the same from both sides.
- Leave a tail of about 6 in (15 cm) when you begin, join or cut a yarn.
- The border is worked in the round with the right side facing, three single crochets in every corner. Do not turn between rounds. The ch 1 at the start of a round does not count as a stitch. Join every yarn of the border with a tail of about 6 in (15 cm). From round 2 on, the "first st" is the first sc of the round before.

- Along the foundation, for the border, work one stitch in each chain under row 1. The "first ch" is the one under the last stitch of row 1, the "last ch" the one under its first stitch.
- Where a border round begins by joining another yarn, first fasten off the yarn of the round before, leaving a 6 in (15 cm) tail.
- This size has 21 checks across and 25 checks up, each check 6 stitches wide and 5 rows tall.
- This size has 56 ends to weave in.
- The last row, row 125, is a right side row, so the right side faces you for the border. The border's "first st" is the first stitch of row 125, at its right-hand end, and its "last st" is the stitch made last in that row.
- Rows of checks
- Rows 1 to 5: A (white) and B (lavender) by turns, A at both edges
- Rows 6 to 10: B (lavender) and C (violet) by turns, B at both edges
- Rows 11 to 15: A (white) and B (lavender) by turns, A at both edges

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet and hdc is half treble.

Finishing

- Weave in the ends: each end into stitches of its own color, on the wrong side, turning back once.
- Lay the blanket flat, pat it square and let it rest; a light steam held above it, or a damp cloth left to dry on it, settles the checks.

In all: 2 pieces; 16,878 stitches (15,750 in the blanket, 1,128 in the border); 56 ends to weave in.
