Gauge

9 stitches and 5 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 13.6 in (35 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

The scarf has 18 rows and the shawl 25; each is printed in full when it is chosen. For a size between them, go on in the same order of colors: a row number n has dc in the next 4 x n - 6 sts of each half (in row 19: dc in next 70 sts). Each row adds about 2.3 in (5.8 cm) to the top edge.

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 40.7 in (103.4 cm) across the top edge and 20.4 in (51.8 cm) deep, without the pompoms.
- 18 rows in the order A, A, B, A, A, C, begun again as often as it fits.

Instructions

Chosen: Scarf. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch and dc is treble.

Yarns in order of use: A, charcoal; B, ivory; C, mustard.

Finishing

- Pom-poms: make 3 of yarn C, about 2.5 in (6.4 cm) across. For each, wind the yarn 60 times round a piece of card 2.5 in (6.4 cm) wide, slide the loops off, tie them tightly round the middle with a piece of yarn C about 12 in (30.5 cm) long, cut the loops at both sides and trim to a ball. Sew one by the ends of its tie to each end of the top edge and one to the point; weave those ends into the piece.
- Weave in the ends.

In all: 18 rows; 1,332 stitches; 30 ends to weave in.
