To fit a head of 23 in (58 cm)

Skill
Easy
Few, very large stitches

Yarn
Super bulky (6)

Hook
9 mm (US M/N-13)

Gauge
8 stitches and 6 rounds to 4 in (10 cm)
In half double crochet.

You will need

Yarn: heathered denim blue, super bulky (6) **about 130 yd (119 m), an estimate**

Hook: 9 mm (US M/N-13). Also: a soft tape measure, a yarn needle and scissors.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Special stitches

FPdc (front post double crochet): Yarn over, insert the hook from front to back and to the front again around the post of the stitch named, and finish as a double crochet. The post stands out toward you. It leaves 1 front post double crochet for the next row.

BPdc (back post double crochet): Yarn over, insert the hook from back to front and to the back again around the post of the stitch named, and finish as a double crochet. The post stands away from you. It leaves 1 back post double crochet for the next row.

Gauge

8 stitches and 6 rounds to 4 in (10 cm) in half double crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower. The depths below are worked out from the rounds: to 4 in (10 cm) go 6 rounds of half double crochet or 4 rounds of double crochet or 4 rounds of post stitches. Post stitches often come out a little shorter than that, and then the hat is a little shallower than stated.

The pattern also stops you to measure after round 5.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 9, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 22 in (56 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms, the directions of the special stitches too; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.
- A post stitch goes around the post of the stitch straight below it in the round before, whatever kind of stitch that is; the line says whether it is a front post or a back post stitch.
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- To wear the hat, fold the brim up to the outside along the middle of its ribbing, so that the last 2 rounds lie on the outside.
- Man: for a head of 23 in (58 cm). The finished hat is about 22 in (56 cm) round and about 9 in (23 cm) deep with the brim folded up (about 11 in (28 cm) before it is folded).

Instructions

Chosen: Man, head 23 in (58 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, hdc is half treble and dc is treble.

☐ **Foundation**	Make a magic ring.	

Crown

☐ **Rnd 1 (RS)**	Ch 2, 8 hdc in MR, sl st in first hdc to join	**(8 hdc)**
☐ **Rnd 2**	Ch 2, 2 hdc in each st around, sl st in first hdc to join	**(16 hdc)**
☐ **Rnd 3**	Ch 2, **[**2 hdc in next st, hdc in next st**] 8 times**, sl st in first hdc to join	**(24 hdc)**
☐ **Rnd 4**	Ch 2, **[**hdc in next 2 sts, 2 hdc in next st**] 8 times**, sl st in first hdc to join	**(32 hdc)**
☐ **Rnd 5**	Ch 2, **[**2 hdc in next st, hdc in next 3 sts**] 8 times**, sl st in first hdc to join	**(40 hdc)**

Stop and measure now, after round 5. After round 5 the crown, laid flat, should measure about 6¾ in (17 cm) across.

☐ **Rnd 6**	Ch 2, **[**hdc in next 9 sts, 2 hdc in next st**] 4 times**, sl st in first hdc to join	**(44 hdc)**

Sides

☐ **Rnds 7 to 9**	Ch 2, hdc in each st around, sl st in first hdc to join	**(44 hdc)**

A box for each round, 7 to 9: tick them off as you go. The heavy box is where you stop and measure.

7 8 **9**

Stop and measure now, after round 9. After round 9, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 22 in (56 cm) round.

Brim

☐ **Rnd 10**	Ch 3, dc in each st around, sl st in first dc to join	**(44 dc)**
☐ **Rnds 11 to 14**	Ch 3, **[**FPdc around next st, BPdc around next st**] 22 times**, sl st in first FPdc to join	**(22 FPdc, 22 BPdc)**

A box for each round, 11 to 14: tick them off as you go.

11 12 13 14

☐ **End**	Fasten off, leaving a tail of 6 in (15 cm).	

Finishing

- Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.
- Weave in every end on the inside of the hat, except the one at the lower edge of the brim: that edge is folded up to the outside, so weave its end on the right side of the brim, which the fold hides.

In all: 14 rounds; 2 ends to weave in.
