Gauge

13 stitches and 14 rounds to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 7 the base should measure about 11½ in (29 cm) long, laid flat and not stretched.

Before you start

- Round 1 is worked along both sides of the foundation chain: along one side, 3 stitches in the last chain, then back along the other side. From round 2 on, the increases stand at the two ends only; along the two straight sides work one stitch in each stitch.
- The base is not joined: work it in a spiral, and move a marker up to the first stitch of each round.
- From the first round of the sides on, each round is joined with a slip stitch in its first stitch. The chain at the start of a joined round does not count as a stitch. Work the first stitch of a round into the stitch the round before was joined in.
- In the first round of mesh each double crochet (UK treble) is worked into a single crochet (UK double crochet), and each chain of 1 passes over one single crochet. In every mesh round after it each double crochet is worked into a double crochet, and each chain of 1 passes over a chain-1 space. The round after the mesh puts one single crochet in every double crochet and one in every chain-1 space.
- The handle round makes two handles: each is a chain that passes over skipped stitches, and the next round works one stitch into the chain space for every chain.
- To change color where a joined round begins, draw the new yarn through as the last yarn over of the slip stitch that ends the round before. Cut the old yarn, leaving a tail of 6 in (15 cm).
- About 13½ in (34.5 cm) wide laid flat and 10¾ in (27.5 cm) tall, on a base about 11½ in (29 cm) long and 4 in (10 cm) wide. Each handle is about 16 in (40.5 cm) long.
- Colors, round by round. Rounds 1 to 24: A. Rounds 25 to 30: B.

Instructions

Chosen: Medium. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and sk is miss.

Yarns in order of use: A, cream; B, poppy.

Stop and measure now, after round 26. Before round 27, check where the round starts. Rounds that are never turned lean a little, so the join moves away from the place where the base began. Lay the bag flat with the base folded along its middle, so that each end of the base is at a side fold. The handles are in the middle of the front and the back when the first stitch of the round, the one the round before was joined in, is the 5th stitch past a side fold, in the direction you work. If it is not, slip stitch in each stitch on to the next place where it is; round 27 starts there, and its first single crochet goes into the same stitch as the last slip stitch.

Finishing
