Gauge

13 stitches and 7 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 9.7 in (25 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Stop after any row: each row adds about 1.6 in (4.1 cm) to the top edge.

Before you start

- The ch 4 at the start of a row or round counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 29.1 in (73.9 cm) across the top edge and 14.5 in (36.8 cm) deep, without the fringe.
- 18 rows: three rows of A, two of B and one of C, begun again as often as it fits.
- In the mesh the ch 1 lies over the space it skips.

Instructions

Chosen: Scarf. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch and dc is treble.

Yarns in order of use: A, camel; B, cream; C, terracotta.

Finishing

- Fringe: cut 146 pieces of yarn A, each 9 in (22.9 cm) long. For each knot hold 2 pieces together and fold them in half, draw the fold through each of the 71 spaces of the last row and round the outermost stitch at each end of it (73 knots in all; the ch-2 sp at the point is one of the spaces) from back to front, pass the ends through the fold and pull snug. Trim the fringe level at about 3.5 in (8.9 cm).
- Weave in the ends.

In all: 18 rows; 684 stitches; 18 ends to weave in.
