Gauge

14 stitches and 15 rounds to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 6 the base should measure about 3¼ in (8.5 cm) across, laid flat and not stretched.

Before you start

- Begin with a magic ring: wind the yarn once round two fingers, put the hook through the ring, draw up a loop and chain 1 to hold it, which does not count as a stitch. Work round 1 into the ring, then pull the tail to draw the ring closed.
- The rounds are not joined: work in a spiral, and move a marker up to the first stitch of each round.
- The chain of 1 at the start of a row does not count as a stitch.
- The strap is a short one, to carry the bottle in the hand. For one to wear across the body begin with ch 161 and work every row to its end: the strap is then about 45¾ in (116 cm) long, and takes about 30 yd (27 m) more of the yarn.
- Measure across the bottom of your bottle and choose the size that is the same or a little wider.
- The first round of the net is worked into stitches. From then on each single crochet (UK double crochet) goes into a chain-4 space of the round below, and the last chain of 4 of a round leads on to the first single crochet of the next.
- Whip stitch: put the needle through both edges from back to front, one stitch for each stitch or row, and draw the yarn snug.

Instructions

Chosen: Medium. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet and sk is miss.

☐	**Rows 2 to 4**	Ch 1, turn; sc in each st across	**(64 sc)**

A box for each row, 2 to 4: tick them off as you go.

☐ 2 ☐ 3 ☐ 4

☐	**End**	Fasten off, leaving a tail of 16 in (41 cm) to sew one end. To sew the other end, cut a new length of the same yarn, also 16 in (41 cm).	

Putting it together

The strap is about 18¼ in (46.5 cm) long. Lay one end of it flat on the outside of the holder, over the top three rounds, the solid band above the net, and whip stitch it down on every side that touches. Count 18 stitches round from the middle of it and sew the other end down there in the same way, so that the two are opposite each other.

Finishing

- Weave every tail in on the inside.

In all: 2 pieces; 718 stitches (462 in the holder, 256 in the strap); 4 ends to weave in.
