You will need

Yarn: denim blue, medium (4) **about 40 yd (37 m), an estimate**

Fiber: cotton

Hook: 5 mm (US H-8). Also: a button about ½ in (12 mm) across, and a sewing needle and thread to sew it on, a yarn needle and scissors.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches of this size at this gauge, with 30 percent added.

Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

sk	skip (UK miss)
RS	right side

Gauge

14 stitches and 15 rows to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after row 15 the band should measure about 4 in (10 cm) long, from the foundation edge to the last row, laid flat and not stretched.

Before you start

- The chain of 1 at the start of a row does not count as a stitch.
- Where the pattern says BLO, put the hook under the back loop only, the one farther from you. The front loops are left free and lie as ridges, on each face of the band by turns, since the work is turned.
- Mugs differ. The band should be about 1 in (2.5 cm) shorter than the distance round your mug. To change that, work more or fewer rows; every two rows are about ½ in (1.5 cm).

Instructions

The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sc is double crochet and sk is miss.

Leave a tail of 12 in (30 cm) before the first chain: it sews the tab on.

Assembly

1. Lay the band with its right side up. Its two short edges are the foundation edge and the edge of the last row. Put the foundation edge of the tab under the middle of the foundation edge, about ¼ in (0.5 cm) in, with the right side of the tab up too, so that the rest of the tab sticks out past that edge of the band. With the long tail sew the foundation edge of the

tab to the wrong side of the band there.

2. With sewing thread sew the button to the right side of the band in the middle of the other short edge, about ½ in (1.5 cm) in from the edge, or where the buttonhole comes when the band is round your mug. Work a few stitches through the holes of the button and fasten the thread on the wrong side.

3. Wrap the band round the mug, right side out, with its two ends at the handle. Pass the tab through the handle, between it and the mug, and button it.

Finishing

- Weave in on the wrong side all the tails that are left, the rest of the sewing tail too.

In all: 2 pieces; 486 stitches (442 in the band, 44 in the tab); 4 ends to weave in.
