Gauge

16 stitches and 17 rows to 4 in (10 cm) in ridged single crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 25; begin in the 2nd ch from the hook and work 26 rows of ridged single crochet on 24 sts, about 6 in (15 cm) wide and 6 in (15 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Squares and triangles have this gauge too: a square of ridged single crochet has as many rows, and one more, as it has sts along an edge. Rib of the hem: rounds of front and back post double crochet, 9.5 rounds to 4 in (10 cm). The rib draws in: it is a little narrower than the piece above it, and stretches. Cuff ribs: worked sideways, 17 rows and 16 sts to 4 in (10 cm), so a rib of 10 sts is about 2½ in (6.5 cm) deep. Hem (rnd 1), yoke base and neckband: single crochet (UK: double crochet), 16 sts and 18.5 rounds to 4 in (10 cm).

Notes

- The finished bust is from 5¾ in (14.5 cm) to 6¾ in (17 cm) wider than the body measurement, by the size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The turning chain is ch 1 in all the rows and never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain. The chain at the start of a round (ch 1 for single crochet, ch 2 for double crochet and for post stitches) never counts as a stitch either: work the first stitch of the round into the stitch at its base, where the round was joined. If the first stitch of a round is a post stitch, it goes around that same stitch.
- Ridged single crochet (UK: ridged double crochet): every stitch is worked in the back loop only, the first and the last of a row too, on both sides, so that the loops left free make ridges. A row 1 that is worked into a chain or into the ends of rows has no loops to leave.
- Odd-numbered rows are right side rows; the rounds are all worked with the right side facing. Mark the right side of each piece with a stitch marker or a scrap of yarn.
- A decrease counts as one stitch. For sc2tog in back loops only, insert the hook in the back loop of the next stitch and pull up a loop, then in the back loop of the following stitch in the same way, yarn over and pull through all 3 loops.
- Whip stitch, for the seams: put the needle in through both edges from the back to the front, take the yarn over the edge, and do the same again a short step farther on.
- Sew every seam with the yarn needle, the shoulders and the sleeves with yarn D and the seams of the cuff ribs with yarn A: cut a length about three times as long as the seam.
- Work over the yarn ends as you go: lay the end of one square along the edge and work the next row over it.
- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again within 6 rnds, carry it loosely up the inside at the join.
- In back loop only: insert the hook under the loop of the stitch that is farther from you, and leave the nearer loop free.
- Each square along an edge 2¾ in (7 cm).

Instructions

M, to fit bust 37 in (94 cm). US terms.

ch chain, **sl st** slip stitch, **sc** single crochet (UK double crochet), **dc** double crochet (UK treble), **Rnd** round, **st** stitch.
RS right side, the one that shows.
[ ] 88 times: work what is inside 88 times in all.
(22 sc): the stitches you have when the row is done. **How to read a pattern**.

Special stitches

sc2tog (single crochet 2 stitches together (UK double crochet 2 together)): Insert the hook in the next stitch and pull up a loop, insert the hook in the following stitch and pull up a loop (3 loops on the hook); yarn over and pull through all 3 loops.

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post.

Square of tiers 2 to 5: make 44, 11 for each tier

Yarn A, graphite.

☐ **Foundation**	Yarns: tier 2 yarn A; tier 3 yarn B; tier 4 yarn C; tier 5 yarn D. Each tier is a ring of 11 squares, worked one after the other, and each of its squares fills the notch between two squares of the tier below. The last square of tier 2 fills the notch between the last and the first square of tier 1 and so closes the ring: see that the squares do not twist, and that all their right sides are outward. The tiers joined in this way are the body. Lay two squares of the tier below side by side, right sides up and upper corners up, so that a side corner of the one touches a side corner of the other. Join the yarn of the tier in the end of row 11 of the right-hand square, at its upper left-hand edge; ch 1, sc in the end of each of rows 11 to 1 down that edge (11 sc), then sc in the end of each of rows 1 to 11 up the upper right-hand edge of the left-hand square (11 sc); 22 sc in all. The upper corners, row 12, stay free. This is row 1, a right side row.	
☐ **Row 2**	Ch 1, turn; sc in back loop only of next 9 sts, sc2tog in back loops only twice, sc in back loop only of next 9 sts	(20 sc)
☐ **Row 3**	Ch 1, turn; sc in back loop only of next 8 sts, sc2tog in back loops only twice, sc in back loop only of next 8 sts	(18 sc)
☐ **Row 4**	Ch 1, turn; sc in back loop only of next 7 sts, sc2tog in back loops only twice, sc in back loop only of next 7 sts	(16 sc)
☐ **Row 5**	Ch 1, turn; sc in back loop only of next 6 sts, sc2tog in back loops only twice, sc in back loop only of next 6 sts	(14 sc)
☐ **Row 6**	Ch 1, turn; sc in back loop only of next 5 sts, sc2tog in back loops only twice, sc in back loop only of next 5 sts	(12 sc)
☐ **Row 7**	Ch 1, turn; sc in back loop only of next 4 sts, sc2tog in back loops only twice, sc in back loop only of next 4 sts	(10 sc)

This is row 1, a right side row.
☐ **Row 2**	Ch 1, turn; sc2tog in back loops only, sc in back loop only of next 7 sts, sc2tog in back loops only twice, sc in back loop only of next 7 sts, sc2tog in back loops only (18 sc)
☐ **Row 3**	Ch 1, turn; sc2tog in back loops only, sc in back loop only of next 5 sts, sc2tog in back loops only twice, sc in back loop only of next 5 sts, sc2tog in back loops only (14 sc)
☐ **Row 4**	Ch 1, turn; sc2tog in back loops only, sc in back loop only of next 3 sts, sc2tog in back loops only twice, sc in back loop only of next 3 sts, sc2tog in back loops only (10 sc)

☐ **End**	The 4 sts of row 6 and the ends of the rows at both sides of them are the long edge of the triangle. Fasten off.

Lower triangle: make 11, one in each notch below tier 1

Yarn A, graphite.

☐ **Foundation**	Hold the body upside down with the right side facing, so that the lower corners of tier 1 are up. Two squares and the notch between them: join yarn A in the foundation chain of the right-hand square, as you hold it, in the ch beside its lower corner; ch 1, sc in each of the 11 chs from that corner down to the side corner, along their free side (11 sc), then sc in each of the 11 chs of the left-hand square from its side corner up to its lower corner (11 sc); 22 sc in all. The ch that was skipped at the start of row 1 of a square is not counted. This is row 1, a right side row.
☐ **Row 2**	Ch 1, turn; sc2tog in back loops only, sc in back loop only of next 7 sts, sc2tog in back loops only twice, sc in back loop only of next 7 sts, sc2tog in back loops only (18 sc)

Assembly

1. Yoke base: With the right side facing, join yarn D in the end of row 1 of an upper triangle, at the right-hand end of its long edge; ch 1, [sc in the end of each of rows 1 to 6, sc in each of the 4 sts of row 6, sc in the end of each of rows 6 to 1] 11 times, once along each triangle (176 sc; the corners between the triangles are passed over); join with sl st in first sc. This is rnd 1. This one round is the whole base. Fasten off. Count its 176 sc from the join: sc 5 to 92 are the front, and sc 93 to 176 and sc 1 to 4 are the back. Above the squares the front and the back are each about 22 in (56 cm) across, a little wider than half of the ring of squares.

2. Shoulders: lay the front on the back with right sides together. Sew the 26 sts of each shoulder of the front to the 26 sts at that end of the top edge of the back. The middle 36 sts of the back stay open for the neck.

3. Neckband: work it now, as written above.

4. Sleeves: the side edges of the front and the back above the yoke base are the armholes. With right sides together, put the middle of the top edge of a sleeve at a shoulder seam and its two ends at the yoke base, at the underarm. Sew the top edge on: 33 sts of the sleeve to the 33 row ends of the front, and the other 33 sts to the 33 row ends of the back, 1 st to every row end.

5. Sleeve seams: with right sides together sew each sleeve seam from the cuff edge to the underarm. At the cuff rib the edges are the foundation chain and the last row of the rib: sew them stitch to stitch, 10 sts to 10 chs. Above it sew row end to row end. Turn the sweater right side out.

6. Corners: where the corners of four squares meet there may be a small gap. Close it from the inside with the yarn end there.
