Gauge

13 stitches and 7 rows to 4 in (10 cm) in double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 22; begin in the 3rd ch from the hook and work 10 rows of double crochet on 20 sts, about 6¼ in (16 cm) wide and 5¾ in (14.5 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Post stitch rounds (the rib of the turtleneck, measured a little stretched, and the bpdc rounds of the poncho): 13 sts and 8 rounds to 4 in (10 cm). They are lower than rounds of plain double crochet: each adds about ½ in (1.5 cm). Single crochet (UK: double crochet) rounds: about 15 rounds to 4 in (10 cm). The last round, at the tips of its scallops, is as high as a round of double crochet: about 5/8 in (1.5 cm).

Instructions

M, to fit bust 37 in (94 cm). US terms.

ch chain, **dc** double crochet (UK tr), **sl st** slip stitch, **sc** single crochet (UK dc), **st** stitch.

2 dc in next st: **both in one stitch**. Dc in next 3 sts: one in each.

[ ] 34 times: 34 times in all. (34 fpdcs, 34 bpdcs): the round now has that many; a check, not a step.

Every stitch, drawn: flossfield.com/crochet/stitches.

Special stitches

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post.

Putting it together

Fold the turtleneck in half to the outside, at round 8.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge.

Notes

- A poncho hangs free. Choose by the bust; then measure around your shoulders and arms, as far below the neck as the size list says for round 32, and compare that with the measure around at round 32. No fit is promised beyond the measurements given.
- The rounds are not turned; the right side always faces you.
- A round of post stitches begins with ch 2 as well: its first stitch goes around the post of the stitch at the base of the chain, the one into which the round before was joined.
- In a bpdc round work around the post of every stitch, not into its top: the tops of the round below then stand out on the right side as a ridge.
- In the rib work fpdc around each fpdc and bpdc around each bpdc of the round below; in round 2 work them in turn around the dc of round 1.
- The neck has no opening and goes on over the head: the rib stretches. See that the turtleneck goes over the head before you go on.
- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again within 6 rounds, carry it loosely up the inside at the join.
- Around at round 32, 8¾ in (22 cm) below the neck 52¼ in (132.5 cm).
