Round granny ripple

US terms

Finished size
About 15¾ in (40 cm) across, from one point to the opposite point

Skill
Easy
Worked in rounds, with color changes.

Yarn
Medium (4), 5 colors

Hook
5 mm (US H-8)

Gauge
14 stitches and 15 rows to 4 in (10 cm)
In single crochet (UK double crochet).

What you need

Yarn A: burnt orange, rounds 1, 3 and 6	**about 25 yd (23 m), an estimate**
Yarn B: warm cream, rounds 2 and 7	**about 25 yd (23 m), an estimate**
Yarn C: chocolate, rounds 4, 10 and 11	**about 55 yd (50 m), an estimate**
Yarn D: caramel, rounds 5 and 9	**about 35 yd (32 m), an estimate**
Yarn E: teal, round 8	**about 20 yd (18 m), an estimate**

By weight: about 80 g in all, an estimate, where 100 g is 200 yd (183 m).

Hook: 5 mm (US H-8), or the size that gives you the gauge. Also: a yarn needle, scissors, pins for blocking and a spray bottle.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Gauge

14 stitches and 15 rows to 4 in (10 cm) in single crochet.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 3 the mat measures about 3½ in (9 cm) across.

Notes

- Rounds are worked with the right side facing; do not turn.

- Magic ring: wrap the yarn round two fingers, work the first round or row into the loop, then pull the tail until the ring is closed. Four chains joined into a ring with a slip stitch may be used instead.
- A chain that counts as a stitch is marked so in its line and is included in the count.
- A chain 1 at the start of a round does not count as a stitch.
- Fasten off the old color, then join the new one with a slip stitch in the place named; the first stitch or chain of the line is worked in that same place.
- At the start of a round, same st is the stitch the round before was joined in; after a new color is joined, it is the stitch the color was joined in.
- The figures in brackets at the end of a line count its stitches and the chain spaces between them; slip stitches are not counted.
- The sp before a st is the gap between that stitch and the one before it: in Rnd 2 the gap between two dc, in Rnd 3 the gap between two pairs of dc, from Rnd 4 on the gap between two groups of 3 dc. The first st of a round is the ch-3 that counts as a dc.
- A peak is a ch-2 sp with a group of 3 dc on each side of it. Rnd 4 makes the twelve peaks, and Rnds 5 to 10 each work a peak over every one of them. A valley is the place halfway between two peaks, where the last group that comes down from one peak stands beside the first that goes up to the next, or where one group stands alone.
- Rnds 5 to 10 each begin in a ch-2 sp. Between two peaks they work one group in each gap between groups, but each treats the valley in its own way: Rnd 5 works no group between the peaks and passes over the valley gap with all 6 dc that stand there; Rnd 6 works one group in the valley gap; Rnd 7 works a group on each side of that single group; Rnd 8 passes over the valley gap (sk next 6 sts); Rnd 9 works a group in the valley gap; Rnd 10 works a group in each gap, on both sides of that single group.
- Work the groups of a valley close together. The mat is worked over enough stitches to lie flat only when its points are pinned out; before that it waves.
- Rnd 11 is a round of sc, with 3 sc in every ch-2 sp. It is also in C, which is not cut, and begins in the first of the 3 dc before a ch-2 sp, where Rnd 10 was joined. The 2 sts that it skips in each valley are the last dc of one side and the first dc of the next.
- The same words in another yarn make another size, measured straight across: fine yarn (2) and a 3.25 mm hook, about 10¼ in (26 cm); light yarn (3) and a 4 mm hook, about 12 in (30 cm); bulky yarn (5) and a 6.5 mm hook, about 19¾ in (50 cm).
