Gauge
18 stitches and 9½ rows to 4 in (10 cm)
In double crochet.

You will need

Yarn A: denim blue, main and ties — **about 60 yd (55 m), an estimate**
Yarn B: ivory, shell edge — **about 15 yd (14 m), an estimate**
Fiber: cotton
Hook: 4 mm (US G-6). Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Gauge

18 stitches and 9½ rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 7.1 in (18 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

The child size has 11 rows before the shells and the adult size 14; each is printed in full when it is chosen. The shells fit only after 8, 11, 14, 17 rows and so on, so work three rows more or fewer: three rows add about 3.6 in (9.1 cm) to the top edge and two shells to each half, so both brackets of the shell row are worked 2 times more or 2 times fewer. A plain row number n has dc in the next 4 x n - 6 sts of each half.

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 14.7 in (37.3 cm) across the top edge and 7.3 in (18.5 cm) deep.
- 11 rows of double crochet in yarn A and one row of shells in yarn B.

Instructions

Chosen: Child. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, denim blue; B, ivory.

☐ **End**	Fasten off.	

Finishing

- Ties: worked after the last row. Join yarn A with a slip stitch in the first sc of the last row (not in the ch 1 before it, which is no stitch), where that row meets the top edge, leaving a tail to weave in; chain until the tie is about 12 in (30.5 cm) long, fasten off and knot the end close to the last chain. Make the same tie in the last sc of the last row, at the other end of the top edge.
- Weave in the ends.

In all: 12 rows; 598 stitches; 6 ends to weave in.
