Also
Yarn needle, scissors and tape measure

What you need

Medium (4) yarn, 2 colors: about 85 g in all, an estimate, where 100 g is 200 yd (183 m).

A: cream, background **about 100 yd (91 m), an estimate**

B: black, cross on the graph **about 65 yd (59 m), an estimate**

Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet, with the idle yarn carried.

The pattern also stops you to measure after row 12.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Gauge is counted over 4 in (10 cm), so make the swatch bigger than that: about 6 in (15 cm) each way, and count in the middle of it. Work it as the piece is worked: in yarn A, with one of the other yarns carried along the row and worked over.

Light (3): 15 single crochet to 4 in (10 cm), hook 4.5 to 5.5 mm, about 9¼ × 10½ in (23 × 27 cm).
Bulky (5): 10 single crochet to 4 in (10 cm), hook 6.5 to 9 mm, about 14 × 16 in (36 × 41 cm).
These sizes are the panel alone, without its border. No yarn amount has been worked out for these weights.

Graph

35 squares wide and 46 tall. One square is 1 single crochet in 1 row. Row 1 is the bottom row. Right-side rows are read right to left, wrong-side rows left to right: each row's number stands at the end it begins from.

sc single crochet (UK dc).
35 A: one **single crochet** in each of the next 35 stitches, in yarn A. Every row is 35.
After every row: ch 1 (**not a stitch**), turn.
New color: in the **last pull of the stitch before**.
The other yarns lie along the row: **work over them**, edge to edge.
Rows are written in the order you work them. **How to read a graph**
Also: ch chain stitch, sl st slip stitch, st stitch, RS right side, WS wrong side, sk skip.

> **Stop and measure now, after row 12.** The width, across the middle of the rows and not along the chain edge: about 10¾ in (27 cm). If it is wider, the whole picture will be larger: start again with a smaller hook, or keep going and expect a larger piece. If it is narrower, a larger hook. If the chain edge pulls in tighter than the rows, make the foundation chain with a larger hook. The height of the 12 rows worked: about 3¼ in (8 cm). If the rows are taller or shorter than this, the finished piece will be taller or shorter than the size given, in the same proportion.

Border

With the right side facing, the round begins in the corner stitch at the start of the top edge and goes along the last row, down the side, along the foundation edge and up the other side. Row 46 is a wrong-side row, so that corner stitch is the last stitch you worked in row 46: it is the "first st" of Round 1. The ch 1 does not count as a stitch. A stitch in the end of a row goes into the side of the stitch that ends that row.

The border is one round of 154 single crochet. Each corner is 3 single crochet worked into one place (the first and the last stitch of the last row, the first and the last chain of the foundation edge that hold a stitch of row 1: the turning chain is not counted), and those 3 are the only stitches of that corner: the row end beside each corner is skipped. A row of single crochet is shorter than a stitch is wide, so each side takes 38 stitches in its 44 other row ends and 6 of them are skipped, as Round 1 says: with the row end beside each corner, that is 8 row ends skipped on each side. So: 12 in the four corners, 33 along the top, 33 along the foundation edge and 38 up each side (12 + 33 + 33 + 38 + 38 = 154).

☐ **Start**	A finished panel of 35 sc and 46 rows, RS facing.
☐ **Round 1 (RS)**	Join A with sl st in first st, ch 1, 3 sc in same st, sc in next 33 sts, 3 sc in last st, sk next row end, sc in end of each of next 3 rows, sk next row end, sc in end of each of next 6 rows, sk next row end, sc in end of each of next 7 rows, sk next row end, sc in end of each of next 6 rows, sk next row end, sc in end of each of next 7 rows, sk next row end, sc in end of each of next 6 rows, sk next row end, sc in end of each of next 3 rows, sk next row end, 3 sc in first ch of foundation edge, sc in next 33 chs, 3 sc in last ch of foundation edge, sk next row end, sc in end of each of next 3 rows, sk next row end, sc in end of each of next 6 rows, sk next row end, sc in end of each of next 7 rows, sk next row end, sc in end of each of next 6 rows, sk next row end, sc in end of each of next 7 rows, sk next row end, sc in end of each of next 6 rows, sk next row end, sc in end of each of next 3 rows, sk next row end, sl st in first sc to join. To join A, put a slip knot of it on the hook and work that slip stitch. (154 sc)

Stop here, after round 1. If a side ruffles, work it again with fewer stitches along it; if it pulls in, with more.

☐	Fasten off, leaving a 6 in (15 cm) tail.

Finishing

- Weave in every end along stitches of its own color.

In all: 46 rows; 1,764 stitches (1,610 in the panel, 154 in the border); 116 color changes, at most 6 in a row; 6 ends to weave in.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. Yarn A: the estimate is from the stitches and chains of this size at this gauge, with 30 percent added. Yarn B: the estimate is from the stitches of this size at this gauge, with 30 percent added. To measure your own: work the swatch and measure it, mark the yarn where the swatch begins and ends, pull the swatch out and measure the yarn it took; divide by the area of the swatch and multiply by the area of the piece.

Notes

- Each square of the graph is one single crochet. Every row is 35 stitches.
- Row 1 is the bottom row of the graph and is a right-side row. The colors of every row are written in the order you work them. The direction in a row's label says where that row lies on the graph: a right-side row lies on the graph from right to left, a wrong-side row from left to right.
- Ch 1 and turn at the end of every row but the last. The chain 1 does not count as a stitch.
- To change color, work the last yarn-over of the stitch before in the new color.
- Carry the yarn you are not using along the top of the row below and work over it, so that it is hidden inside the stitches. Carry each yarn across every whole row, edge to edge, from the first row it appears in to the last row it appears in: join it at the start of that first row, and cut it at the end of that last row.
- Work firmly. A carried yarn can show between loose stitches, a dark yarn inside light stitches most of all. If it shows in your swatch, change to a smaller hook and measure again: the piece will then be smaller than the size given.
- Rows 1 to 2 and 45 to 46 have nothing carried inside, so they are a little thinner than the rows between.
- Worked flat only. In joined or spiral rounds the picture slants.
- In a row, "15 A" is 1 single crochet in each of the next 15 stitches with yarn A.
- The border is part of the piece: the first size given is with the border, the second is the panel alone.
- Leave a tail of about 6 in (15 cm) when you begin a yarn, and weave it in at the end with the others.
- Left-handed. Worked left-handed, these rows give a mirror image of the picture. To get the picture as drawn, read each row's runs in reverse order.
