Skill
Easy
14 pieces worked in rounds and rows and sewn together.

Yarn

Hook
3.5 mm (US E-4)

Gauge
20 stitches and 22 rounds to 4 in (10 cm)
In single crochet, in a spiral.

You will need

Yarn A: snow white, the main color	**about 245 yd (224 m), an estimate**
Yarn B: spruce, several of the pieces	**about 45 yd (41 m), an estimate**
Yarn C: brick, several of the pieces	**about 45 yd (41 m), an estimate**
Yarn D: carrot, big nose, middle nose and small nose	**about 10 yd (9 m), an estimate**
Yarn E: charcoal, big hat and the details	**about 40 yd (37 m), an estimate**
Yarn F: rose, the details	**about 5 yd (5 m), an estimate**

Hook: 3.5 mm (US E-4), or the size that gives you the gauge. Also: toy stuffing, a yarn needle, a stitch marker, pins, scissors and black plastic eyes with washers, two each of 6 mm, 8 mm and 10 mm.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 30 percent added.

Gauge

20 stitches and 22 rounds to 4 in (10 cm) in single crochet, in a spiral.

To check it, work a flat circle: 6 sc in a magic ring, then 6 more sc in each round (12, 18, 24, 30, 36). After round 6 it should measure about 2¼ in (5.5 cm) across. The stitches should be tight enough that the stuffing does not show.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

Before you start

- Every piece that has rounds is worked in a continuous spiral with the right side facing you: do not join and do not turn. Put the marker in the first stitch of each round and move it up. Square brackets hold a repeat; work it as many times as the line says. The number in parentheses is the count at the end of the round.
- Each snowman is a pattern of its own: work one, two or all three.
- In a piece worked in rows, a line that begins with another yarn is worked so: work the last pull-through of the last stitch of the row before in that yarn. Cut the old yarn and weave in the ends on the wrong side.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop and pull the tail to close it. Or chain 2 and work round 1 into the first chain.
- Color change: where a line begins "With C," (or another letter), work the last pull-through of the round before it in C. Cut the old yarn and knot the ends on the wrong side.
- Center line: places on a piece are given by round and by stitches from a center line. It is half way round from where the rounds begin. Mark it with a pin or a scrap of yarn as listed here, run it straight from round 1 to the last round by eye, and count out from it along the round, in stitches and half stitches.
- Big snowman: the center line runs between stitches 30 and 31 of round 10 (60 sts). It faces the front.
- Middle snowman: the center line runs between stitches 24 and 25 of round 8 (48 sts). It faces the front.
- Small snowman: the center line runs between stitches 18 and 19 of round 6 (36 sts). It faces the front.
- Right and left are as you look at the front of the toy. Rounds are counted from the start of each piece.
- Running stitches go in and out along a line.
- In every step of putting it together: where a piece meets or overlaps another, sew through both. Where no tail is left or a tail is too short, sew with a new length of the yarn of the piece you are putting on.
- To work sc2tog, put the hook under the front loop only of each of the next 2 stitches, yarn over, pull through both loops, yarn over, pull through 2 loops.
- For a child under three, or a pet, embroider the eyes instead: satin stitch dots of the same size in E (charcoal).
- The rounds and stitches are the same for every size; the yarn and the hook make the difference. Lengths in the words (tails, ovals, details) are for Standard, the size written here: for another size multiply them by the number in its line.
- Small: fine (2, sport) yarn, 2.25 mm (B-1) hook, 27 sc and 30 rounds to 4 in (10 cm): the big snowman about 4½ in (11.5 cm) tall with its hat, the middle one about 3¾ in (9.5 cm) and the small one about 3¾ in (9.5 cm); eyes 4, 6, 7 mm; multiply lengths by 0.74; about 0.74 times the yarn.
- Large: bulky (5, chunky) yarn, 5 mm (H-8) hook, 14 sc and 15.4 rounds to 4 in (10 cm): the big snowman about 9 in (23 cm) tall with its hat, the middle one about 7¼ in (18.5 cm) and the small one about 7 in (18 cm); eyes 9, 11, 14 mm; multiply lengths by 1.4; about 1.4 times the yarn.
- Jumbo: super bulky (6, plush or velvet) yarn, 6.5 mm (K-10½) hook, 11 sc and 12.1 rounds to 4 in (10 cm): the big snowman about 11¼ in (28.5 cm) tall with its hat, the middle one about 9 in (23 cm) and the small one about 9 in (23 cm); eyes 11, 15, 18 mm; multiply lengths by 1.8; about 1.8 times the yarn.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.

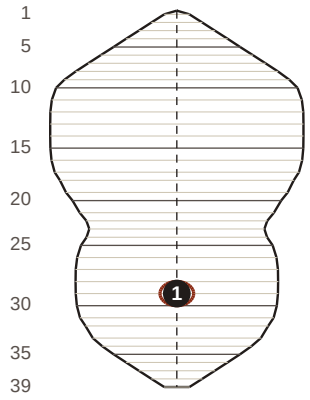
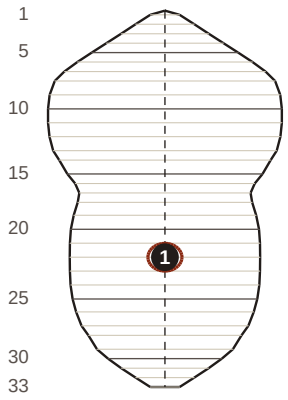
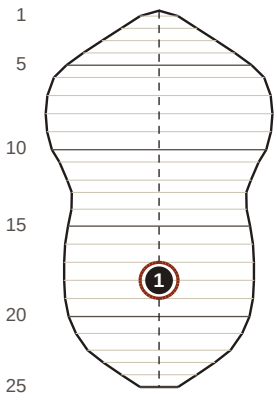
Assembly



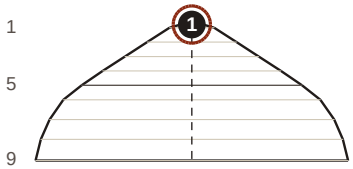
Big snowman: 1 big nose



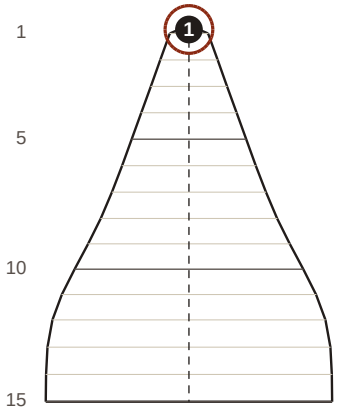
Middle snowman: 1 middle nose



Small snowman: 1 small nose



Middle hat: 1 middle pompom



Small hat: 1 small pompom

Each line is a round, counted as the rounds are worked. The upright broken line is the center line. A place with a broken edge is on the far side.

1. Pin the big nose to the big snowman: the middle of the open edge lies on round 29, on the center line. The edge (8 sts) covers about rounds 28 to 30 of the big snowman. It points forward and to the left. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

2. Pin the middle nose to the middle snowman: the middle of the open edge lies on round 22, on the center line. The edge (7 sts) covers about rounds 21 to 23 of the middle snowman. It points forward and to the left. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

3. Pin the small nose to the small snowman: the middle of the open edge lies on round 18, on the center line. The edge (6 sts) covers about rounds 17 to 19 of the small snowman. It points forward and to the left. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

4. Set the big hat on the big snowman with the brim down: round 13 of the hat, the last round before the brim (36 sts), lies on round 34 of the big snowman (36 sts), and the brim stands out all round below it. With a new length of E (charcoal), sew the 36 back loops of round 13 (they are free on the inside, at the foot of the brim) to round 34 of the big snowman, stitch to stitch, and top up the stuffing of the crown before the last stitches. Then push the crown a little to the right.

5. Pull the middle hat down over the top of the middle snowman, right side out, round 1 on the closed end of the snowman, until its edge (42 sts) lies on round 25 of the middle snowman (39 sts) all the way round, eased to fit. Sew the edge down with its tail.

6. Pin the middle pompom to the middle hat: the middle of the open edge lies over the middle of round 1 of the middle hat. The edge (12 sts) lies all the way round on about round 2. It points up. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

7. Set the small hat on the small snowman, right side out: its open edge (30 sts) lies on round 20 of the small snowman (30 sts). Sew it down all the way round with its tail. Then, with a new length of C (brick), work running stitches up the left side of the hat from round 12 to round 3, draw them up until the tip bends over to the left, and fasten off.

8. Pin the small pompom to the small hat: the middle of the open edge lies over the middle of round 1 of the small hat. The edge (8 sts) lies all the way round on about round 3. It points to the left. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

9. Lay the big scarf round the neck of the big snowman, over round 23; either side of it may look out. Begin with row 1: let rows 1 to 11 hang down in front, 3 stitches to the right of the center line of the big snowman. Carry the rest to the right, round the back and on to the front from the left, cross it over its own beginning and let the last 8 rows hang down to the right of the first end. With a new length of B (spruce), sew through both layers where they cross, catch the scarf to the big snowman at the back, and catch each hanging end to the big snowman with two stitches near its lower edge.

10. Lay the middle scarf round the neck of the middle snowman, over round 17; either side of it may look out. Begin with row 1: let rows 1 to 8 hang down in front, 3 stitches to the right of the center line of the middle snowman. Carry the rest to the right, round the back and on to the front from the left, cross it over its own beginning and let the last 5 rows hang down to the right of the first end. With a new length of C (brick), sew through both layers where they cross, catch the scarf to the middle snowman at the back, and catch each hanging end to the middle snowman with two stitches near its lower edge.

11. Lay the small scarf round the neck of the small snowman, over round 13; either side of it may look out. Begin with row 1: let rows 1 to 5 hang down in front, 3 stitches to the right of the center line of the small snowman. Carry the rest to the right, round the back and on to the front from the left, cross it over its own beginning and let the last 3 rows hang down to the right of the first end. With a new length of B (spruce), sew through both layers where they cross, catch the scarf to the small snowman at the back, and catch each hanging end to the small snowman with two stitches near its lower edge.

Finishing

- Put in the plastic eyes when the words of a piece say so, or embroider eyes in the same places with the other details. Embroider with one strand of yarn and the yarn needle when the pieces round the place are sewn on; begin and end each strand inside the toy. Satin stitch is straight stitches side by side until the shape is filled. Backstitch is a line of short stitches end to end: bring the needle up one stitch ahead, put it down at the end of the stitch before, and repeat.
- Eyes: black plastic eyes, one to each side of the center line. Big snowman: the 10 mm eyes, on round 30, 4 stitches from the center line (8 stitches apart). Middle snowman: the 8 mm eyes, between rounds 22 and 23, 3½ stitches from the center line (7 stitches apart). Small snowman: the 6 mm eyes, on round 18, 3 stitches from the center line (6 stitches apart).
- Cheeks, big: with F (rose), in satin stitch, an oval about 5/16 in (8 mm) wide and 3/16 in (5 mm) tall, its middle on the big snowman between rounds 27 and 28, one to each side, 7 stitches from the center line (14 stitches apart).
- Cheeks, middle: with F (rose), in satin stitch, an oval about ¼ in (6 mm) wide and 3/16 in (5 mm) tall, its middle on the middle snowman between rounds 20 and 21, one to each side, 5½ stitches from the center line (11 stitches apart).
- Cheeks, small: with F (rose), in satin stitch, an oval about 3/16 in (5 mm) wide and 1/8 in (3 mm) tall, its middle on the small snowman between rounds 16 and 17, one to each side, 4½ stitches from the center line (9 stitches apart).
- Mouth, big: with E (charcoal), in backstitch, a smile, one curve about 9/16 in (14 mm) wide that dips 3/16 in (5 mm) below its ends. Its two ends are on the big snowman between rounds 26 and 27, one to each side of the center line.
- Mouth, middle: with E (charcoal), in backstitch, a smile, one curve about ½ in (13 mm) wide that dips 3/16 in (5 mm) below its ends. Its two ends are on the middle snowman on round 20, one to each side of the center line.

- Big snowman, top button: with E (charcoal), in satin stitch, a round dot about ¼ in (6 mm) across, its middle on the big snowman on round 18, on the center line.
- Big snowman, middle button: with E (charcoal), in satin stitch, a round dot about ¼ in (6 mm) across, its middle on the big snowman on round 14, on the center line.
- Big snowman, lowest button: with E (charcoal), in satin stitch, a round dot about ¼ in (6 mm) across, its middle on the big snowman on round 10, on the center line.

- Small snowman, button: with E (charcoal), in satin stitch, a round dot about 3/16 in (5 mm) across, its middle on the small snowman on round 8, on the center line.
- Weave every tail through the toy and trim it. For a toy that will be played with, go round each seam a second time with a new length of yarn. Check the seams and small parts from time to time.
